Who Can Attend

Appropriate individuals for this program are:

- Not currently using substances
- Have stable housing
- Able to interact and engage in group settings
- Have an open mind, motivated, and willing to address substance use issues
- Have a withdrawal management protocol

Program Description

Together we will create a better understanding of substance use, the impacts on our body, and replace them with healthy, coping and social connections within the community.

The purpose of this program is to provide you with tools and skills to sustain a healthy and balanced lifestyle in community.

This interactive educational and discussion group is 6 weeks, 5 days per week.
