

Adoption and Foster Care

Resources for Teachers and Parents

1. [Adoptive Families Association of BC Adoption 101 for Teachers](#)
General information, including articles, educational opportunities and support, on caring for children who are adopted.
2. [Adoption Centre of British Columbia](#)
Resources and links listed at the bottom of the page.
3. [“Let’s Learn Together”](#)
This booklet from the UK aims to provide an insight into challenges that might arise and various suggestions on how to manage key areas of difficulty for both parents and teachers.
4. [Child and Youth Permanency Council of Canada](#)
Canada’s national voice advocating for a permanent supported family for every waiting child and youth in Canada. As Canada’s only national, non-profit, charitable organization they raise awareness about children and youth in government care who need permanent families.
