

## Tobacco & Vaping Resources for Schools

Schools play an important part in preventing youth tobacco and vapour product use, protecting youth from exposure, and providing reliable information and interventions when necessary. This is a list of resources related to the key areas of tobacco and vaping prevention. For more information and regular updates, you can also:

- ✓ Learn about our [Legal Substances Program](#) and [Tobacco & Vapour Control Program](#).
- ✓ Check our [Tobacco and Vaping Information for Schools](#) resources.
- ✓ Keep an eye on the monthly [Health Promoting School Newsletters](#) for updates.
