This schedule is not directly reconcilable to the statement of operations in the audited financial statements for the following reasons:

1. The schedule is prepared on a cash basis while the financial statements are prepared on an accrual basis.
2. Payments related to capital projects are reflected in the Authority's statement of financial position, not the statement of operations.
3. Amounts paid to vendors on behalf of employees are reported in Employee Compensation on the Schedule of Remuneration.
4. Upon guidance from MoH, contracted services suppliers have been aggregated for home support Choice in Support for Independent Living (CSIL) payments.
