

# 2009/10 Combined H1N1/Seasonal Immunization Clinics

Eligibility - With the exception of infants less than 6 months, anyone who wants or needs an H1N1 vaccination is now eligible, effective November 20, 2009

## Attention Pregnant Women

Unadjuvanted H1N1 vaccine is now available at public flu clinics. Some vaccine stock is also being provided to physicians providing prenatal and obstetrical care.

Note: People that are bringing children that are not their own to clinics need to have a signed letter of consent from the parent plus their care card and birthdate.

[For Information on Seasonal Vaccine Eligibility, Click Here](#)

Flu clinics are contingent on receiving expected shipment of vaccine and are subject to change on short notice.

Please check back soon. Additional locations to be announced soon.
