Cariboo Memorial Hospital outpatient lab closed Saturday

WILLIAMS LAKE – Interior Health is advising residents that **outpatient lab services will not be available at Cariboo Memorial Hospital on Saturday, Aug. 5** due to temporary staffing challenges related to wildfires.

Normal outpatient lab hours are Monday to Friday from 7:15 a.m. to 5 p.m. and Saturday from 7:15 a.m. to 11:30 a.m. The lab is closed on statutory holidays.

The lab will re-open to normal operations Tuesday, Aug. 8 (it is closed on the Monday holiday).

Interior Health regrets this interruption to normal service and appreciates the public's patience as we continue to resume operations during this challenging time.
