UPDATE: Boundary Health Services

GRAND FORKS – Interior Health is advising residents in Grand Forks and Boundary of the following updates to local health services in light of evacuation orders and alerts related to flooding in the region:

Boundary District Hospital (7649 - 22 St.) is **open**, with full services including 24/7 emergency department coverage.

Boundary Community Health Centre (7441 - 2nd Street) is **closed**. Mental Health Substance Use and Public Health services are being re-located to Boundary District Hospital.

Grand Forks Mental Health Clubhouse (7375 - 2nd St.) is **closed**.

Midway Health Unit (540 - 7th Avenue) is **closed**. Interior Health staff in Midway have been dispatched to the Emergency Social Services (ESS) Reception Centres at the Midway Community Centre.

Interior Health is connecting with community (home health) clients in the region to ensure they receive the ongoing services they require. Community clients who have not been in contact with Interior Health should contact 250-443-2100 ext. 6519.

Interior Health is in contact with the Regional District of Kootenay Boundary emergency operations centre and the Emergency Social Services (ESS) Reception Centres at the Midway Community Centre and Grand Forks Curling Centre to support health care needs as required.

Interior Health will provide additional updates as new information is available.
