Interior Health declares outbreak at Spring Valley Seniors Community long-term care in Kelowna

KELOWNA – Interior Health has declared a COVID-19 outbreak at Spring Valley Seniors Community long-term care in Kelowna.

One resident and one staff member have tested positive for COVID-19. Contact tracing is underway and anyone in close contact is being provided direction on self-isolation and monitoring for symptoms.

Spring Valley Seniors Community is a long-term care facility operated by Park Place Seniors Living with 150 publicly funded long-term care beds.

Interior Health will continue to monitor the situation, while implementing infection control and preventive measures. To protect the safety of all residents, outbreak protocols are in place, including a pause in all visits.

Interior Health continues to take steps to protect the health of all staff, individuals in care and families at long-term care homes. This includes:

- Ensuring long-term care staff members are only working at one care home (as per the provincial single site order).
- Monitoring of all residents for respiratory symptoms and doing COVID-19 testing on anyone with COVID-19 symptoms.
- Enhanced cleaning protocols and COVID-19 visitor policies.
- Offering vaccine to all residents and staff.

Everyone in all communities should remain vigilant in following COVID-19 precautions:

- Keep to your household bubbles and avoid social gatherings.
- Stay home when you are sick and get tested if you have any symptoms consistent with COVID-19.
- Practise physical distancing and use a mask if you cannot.
- Wash your hands often.
- Avoid non-essential travel.

Booking a COVID-19 test:

Online: You can book an appointment online through the COVID-19 Test Booking Form:
<https://interiorhealthcovid.secureform.ca/index.php>

By phone: Call the COVID-19 Test Booking Line at 1-877-740-7747 for assistance with booking your test.
