New lab service opens in Northhills Centre

Kamloops residents with a requisition for bloodwork have another Interior Health lab to serve them. IH Primary and Community Care Services in Northhills Centre includes a lab, which serves patients of all ages.

The lab, located at 61-700 Tranquille Rd., next to the shopping mall food court, is open Monday to Friday from 8:30 a.m. to 4 p.m. Closed on weekends and holidays. Please bring your requisition for bloodwork with you. The Northhills lab staff can also access standing orders for labwork from other IH labs.

Other IH labs in Kamloops are in Tudor Village, 1315 Summit Dr., and the Clinical Services Building at Royal Inland Hospital.
