CSB parkade closed for maintenance over the long weekend

KAMLOOPS - Due to maintenance work by our construction partner Bird Construction, the Clinical Services Building parkade at Royal Inland Hospital will be closed over the upcoming long weekend.

The parkade will be closed to all traffic during the following times:

- Thursday, May 17: Closed after 6 p.m.
- Friday, May 18: Open 6 a.m. to 6 p.m.
- Saturday, May 19: Closed
- Sunday, May 20: Closed
- Monday, May 21: Closed
- Tuesday, May 22: Open at 6 a.m.

Regular operations of the parkade will resume Tuesday, May 22 at 6 a.m.

Signs will be posted to alert drivers to the closure and to redirect them to alternate parking. During this closure we ask that visitors use all other parking areas, excluding the emergency department lot, which is reserved for emergency visits. Parking will be complimentary during this closure.

May 18-21 was specifically chosen for maintenance work because long weekends generally have lower volumes of visitors to the hospital.

We apologize for this temporary disruption and thank you in advance for your co-operation.
