For Immediate Release | Nov. 8, 2019

Consumer warning regarding A&L Peterson Orchards Fresh Pressed Apple Juice in Salmon Arm

SALMON ARM - Interior Health is advising the public that A&L Peterson Orchards Fresh Pressed Apple Juice has been recalled due to unsanitary conditions during the manufacturing process.

These conditions could have resulted in potential contamination of the juice. This product was produced in the Salmon Arm area and distributed locally.

If you purchased A&L Peterson Orchard Fresh Pressed Apple Juice directly from the producer or from Askew’s Foods, Blind Bay Village Grocers, or other stores carrying this product in the Interior region of B.C., you are advised not to consume this product and to discard it.

A&L Peterson Orchards Fresh Pressed Apple Juice has been pulled from shelves at retail stores as part of a voluntary recall. This affects all products sold up to and including Nov. 8, 2019.

If you consumed A&L Peterson Orchard Fresh Pressed Apple Juice and are feeling unwell, please seek medical advice by contacting your family physician or nurse practitioner.

At this time, no illnesses have been reported regarding this product.
