Advisory – temporary change to KBRH entrance

TRAIL – On Saturday, Nov. 10 from approximately 8 a.m. to 4 p.m., the main entrance to Kootenay Boundary Regional Hospital will be closed due to construction.

Patients and visitors can access the hospital through the MRI entrance to the hospital during these times.

Signs will direct people to that entrance and through to the lobby (emergency department, elevators, registration, etc.).

Interior Health appreciates everyone's patience and understanding while ongoing work at the hospital takes place.

Interior Health is committed to promoting healthy lifestyles and providing a wide range of quality health-care services to more than 740,000 people living across B.C.'s vast interior.
