

Launched in June 2016, MyHealthPortal allows enrolled patients 24-hour secure online access to view their Interior Health lab results and Medical Imaging reports.

Report expansion **will not** include: Emergency Department reports, progress notes, Psychiatry / MHSU, scans, Profile or MedAccess EMR notes; nursing or allied health documentation; or child or sexual abuse cases. As always, report authors are responsible for the accuracy, totality and appropriateness of dictation.

***MUST INDICATE AT START OF DICTATION IF UNPUBLISHED H&P or INPATIENT CONSULTATION REQUIRED.**
