SEWERAGE FILE INFORMATION REQUEST

Fee: \$50

A fee of \$50 must be paid before this application will be processed, and is not refundable.

We cannot guarantee that a file will be located or that it will include an accurate diagram of the system. If no information is available, either the original paperwork could not be filed due to incorrect information, or the sewage system was constructed/repared without reference to this office. Please allow 5 business days to process this request.
