

MyHealthPortal Features

View lab results, diagnostic imaging reports (such as X-ray, CT and ultrasound scans), certain transcribed reports, upcoming appointments, and visit history. You can also update your contact information.

Privacy

Protect your privacy! Never share your login or password information. Take care when viewing MyHealthPortal at a public location or printing information from the portal.

How to get a MyHealthPortal account

1. Complete the **Request for a Minor to Access MyHealthPortal** form.
2. Have the form signed by your Health Care Provider. (Family Doctor, Nurse Practitioner, Psychologist)
3. Take the form to Health Records at your local hospital/health records for verification.
4. You will receive an email notification when you can complete your enrolment.

Request For A Minor To Access Their Personal Health Records Online Via MyHealthPortal

Personal Information contained on this form is collected under The Freedom of Information and Protection of Privacy Act and will be used only for the purpose of responding to your request.

I would like to request unrestricted access to my personal health information contained within MyHealthPortal:

Name <i>(First / Middle / Last)</i>	_____
Date of Birth <i>(dd / mm / yyyy)</i>	_____ PHN <i>(Provincial Health Number / Care Card)</i>
Day Phone	_____ Email
Mailing Address	_____
City / Town	_____ Province
	_____ Country
	_____ Postal Code

Section below to be completed by a Physician, Nurse Practitioner or Psychologist

The Minor above has requested to have unrestricted access to his/her Personal Health Record via the Interior Health Patient Portal – MyHealthPortal.

MyHealthPortal is an on-line web-based system that displays information contained in the Interior Health Enterprise Medical System (MEDITECH). This currently includes Lab and Microbiology Results, Diagnostic Imaging Reports, Upcoming Visits, Visit History, Allergies and Personal Demographic Information. Additional information will be made available in the future.

As his/her Health Care Provider you are requested to complete this Form to confirm that the Minor is sufficiently mature and capable to understand the information contained in their Personal Health Record.

A Minor is defined as anyone under the Age of Majority (19 years in B.C.)

I confirm that this Patient is sufficiently mature / capable to have unrestricted access to the personal health information contained within MyHealthPortal:

Health Care Provider Name <i>(First / Middle / Last)</i>	_____
Health Care Provider Specialty <i>(Profession or Society)</i>	_____
Signature	_____
Day Phone	_____ Alternate Phone
Mailing Address	_____
City / Town	_____ Province
	_____ Country
	_____ Postal Code

Note: The signing of this form is for Information Access only; it does not apply to Emergency Health Care or Treatment.

Minors have the option to request access to their health care record information at the Health Records Department of their local IH facility.
