Penticton Regional Hospital Phase 2 construction underway

As of Dec. 1, 2019 only emergency and labour and delivery patients will have access through the emergency department entrance off Carmi Avenue due to the renovations, Phase 2 of the David E. Kampe Tower project.

All other patients should use the main entrance to PRH, the front doors of the David E. Kampe Tower off Government Street, or the entrance from the parkade, to access the hospital.

Services and programs, such as the outpatient lab, cardiology, respiratory and X-ray can be accessed through the David E. Kampe Tower entrance.
