2.2 COLLABORATIVE MEETINGS

The Authority will make available certain of its personnel, consultants and advisors (the "**Authority Representatives**") to participate in Collaborative Meetings with the Proponents. The Authority expects the Collaborative Meetings to take place as follows:

- (a) the purpose of the Collaborative Meetings is to provide a process that will assist the Proponents to develop optimal solutions for the Project while minimizing the risk that a Proponent's solution is unresponsive to the Authority's requirements, and in particular:
 - (1) to permit the Proponent's Representatives to provide the Authority's Representatives with comments and feedback on material issues such as affordability or provisions of the Initial Draft Design-Build Agreement; and

- (2) to permit a Proponent to discuss with the Authority potential solutions and approaches that the Proponent may be considering for various aspects of its Proposal;
- (b)** at least 5 Business Days in advance of each Collaborative Meeting (10 Business Days in the case of any Collaborative Meeting with respect to insurance matters), each Proponent should provide the Authority with a proposed meeting agenda, a list of prioritized issues it would like to discuss, and any materials relevant to such issues. The Authority may provide Proponents with comments on the agenda and a list of any prioritized issues the Authority would like to discuss;
 - (c)** the Authority will determine which Authority Representatives will be present at any Collaborative Meeting;
 - (d)** at each Collaborative Meeting, a Proponent may have such officers, directors, employees, consultants and agents of the Proponent and the Proponent Team members present as the Proponent considers reasonably necessary for effective communication with the Authority and to fulfill the objectives of the Collaborative Meeting provided that the Authority may, in its discretion, limit the number of participants at any one meeting. Participation in Collaborative Meetings is in person only;
 - (e)** to facilitate free and open discussion at the Collaborative Meetings, Proponents should note that any comments provided by or on behalf of the Authority during any Collaborative Meeting, including in respect of any particular matter raised by a Proponent or which is included in any documents or information provided by a Proponent prior to or during the Collaborative Meeting, and any positive or negative views, encouragement or endorsements expressed by or on behalf of the Authority during the Collaborative Meetings to anything said or provided by Proponents, will not in any way bind the Authority and will not be deemed or considered to be an indication of a preference by the Authority even if adopted by the Proponent;
 - (f)** if for the purposes of the preparation of its Proposal a Proponent wishes to rely upon anything said or indicated at a Collaborative Meeting, then the Proponent must submit an Enquiry describing the information it would like to have confirmed and request that the Authority provide that information to the Proponent in written form and, if such information relates to a clarification, explanation or change to a provision of this RFP or the Design-Build Agreement, request an Addendum to this RFP clarifying and amending the provision in question;
 - (g)** by participating in the Collaborative Meetings a Proponent confirms its agreement with these procedures and acknowledges that the meetings are an integral part of the procurement process as described in this RFP and are in the interests of all parties;

- (h) the Authority anticipates holding three or more Collaborative Meetings with each Proponent prior to the Submission Time for Technical Submissions. Following the release of the RFP, the Authority will consult with each Proponent to confirm specific dates for Collaborative Meetings. If the Authority considers it desirable or necessary to schedule additional or fewer Collaborative Meetings, the Authority may, in its discretion, amend the anticipated schedule;
- (i) Proponents may request that the Authority schedule additional Collaborative Meetings on specific topics by providing the request in writing to the Contact Person with proposed dates and details of the topic or topics to be discussed; and
- (j) it is expected that Collaborative Meetings will be held in Kamloops or Kelowna, B.C.

2.3 COMMENTS ON THE DESIGN-BUILD AGREEMENT

Each Proponent should review the Initial Draft Design-Build Agreement for the purpose of identifying any issues or provisions that the Proponent would like to see clarified or amended. Following such review:

- (a) the Authority will invite Proponents as part of the Collaborative Meeting process to discuss possible clarifications or amendments to the Initial Draft Design-Build Agreement, including with respect to commercial, legal, and design and construction aspects of the Project;
- (b) at least 5 Business Days in advance of the Collaborative Meeting at which a Proponent wishes to discuss the Initial Draft Design-Build Agreement, each Proponent should provide the Authority with a prioritized list of requested changes, if any, to the Initial Draft Design-Build Agreement using the Proponent Comments Form attached as Appendix E, together with the agenda and issues list described in this Section 2.3(b); and
- (c) the Authority will consider all comments and requested clarifications or amendments received from the Proponents in the Collaborative Meetings and may respond to some or all of the comments received, and will amend the Initial Draft Design-Build Agreement as the Authority may determine in its discretion.

Prior to the Submission Time for Technical Submissions, the Authority intends to issue by Addendum one or more revised drafts of the Design-Build Agreement, including one that will be identified as the Final Draft Design-Build Agreement. The Authority may further modify the Final Draft Design-Build Agreement by Addendum prior to the Submission Time for Financial Submissions. The Final Draft Design-Build Agreement will be the common basis for the preparation of all Proposals, and Proponents should not in their Proposal make any modifications, changes or additions to the Final Draft Design-Build Agreement except for modifications, changes or additions to the Statement of Requirements as provided for in Section 4.3 or modifications, changes or additions provided for in Section 8.2.

2.4 DATA ROOM

The Authority has established a website to be used as an electronic data room (the “**Data Room**”) in which it has placed documents in the possession of the Authority that the Authority has identified as relevant to the Project and to the Project site, and that may be useful to Proponents. The Authority does not make any representation as to the relevance, accuracy or completeness of any of the information available in the Data Room except as the Authority may advise in writing with respect to a specific document. The Authority will grant Proponents access to the Data Room and will require Proponents to execute an agreement to keep information contained in the Data Room confidential.

The information in the Data Room may be supplemented or updated from time to time. Although the Authority will attempt to notify Proponents of all updates, Proponents are solely responsible for ensuring they check the Data Room frequently for updates and to ensure the information used by the Proponents is the most current, updated information.

2.5 INTERIM FINANCIAL REVIEW ON AFFORDABILITY

It is in the interests of the Authority and all Proponents to identify at an early stage of the procurement whether the Project, as defined in this RFP, is affordable within the limits set out in Section 4. Accordingly, as part of the Collaborative Meetings, Proponents and the Authority will conduct an interim financial review as follows:

- (a) the purpose of the interim financial review is to give early warning of any difficulty in staying within the Design-Build Price Ceiling, and to permit the Authority and the Proponents to consider and implement steps so that the Competitive Selection Process can proceed with confidence that Proposals will be within the Design-Build Price Ceiling;
- (b) at least 5 Business Days prior to the interim financial Collaborative Meeting, each Proponent should submit to the Authority its best estimate of the anticipated nominal cost of its Proposal (the “Nominal Cost of the Proposal”). While not prescribing the form of the submission, the Authority is expecting it to be no more than 10 pages in length and to include cost and input assumptions in sufficient detail to allow the Authority to understand the Proponent’s cost base (with at least all major cost headings included);
- (c) the Authority will retain each of the interim financial submissions as strictly confidential, and will invite each Proponent, as part of the interim financial Collaborative Meeting, to discuss any aspect of its submission, including any recommendations for amendment of the Project requirements if a Proponent determines that the Project as described will exceed the Design-Build Price Ceiling; and

- (d)** unless expressly referred to or included by reference in its Proposal, a Proponent's interim financial submission will not be considered part of its Proposal and the Authority will not consider or evaluate it as to adequacy, quality, content or otherwise.

The Authority understands that the values indicated in a Proponent's interim financial submissions are not a commitment and that all aspects could change in the final Proposal.

3 KEY PROJECT ELEMENTS

The Final Draft Design-Build Agreement contains the detailed requirements for the Project and is the basis for the Proponent's Proposal.

Any description or overview of the Initial Draft Design-Build Agreement or the Final Draft Design-Build Agreement in this RFP is provided for convenience only and does not replace, supersede, supplement or alter the Initial Draft Design-Build Agreement or the Final Draft Design-Build Agreement. If there are any inconsistencies between the terms of the Final Draft Design-Build Agreement and the description or overview of those terms set out in this RFP or the Initial Draft Design-Build Agreement, the terms of the Final Draft Design-Build Agreement will prevail.

3.1 DESIGN-BUILDER

The Design-Builder will be responsible for all aspects of the Project in accordance with the Design-Build Agreement. This includes, but is not limited to, design and construction of the Facility as well as any and all work necessary to integrate the Facility into the existing Royal Inland Hospital.

3.2 KEY COMMERCIAL TERMS

The following are key commercial terms that are included in the Design-Build Agreement:

- (a) **Security for Obligations:** The Design-Build Agreement requires that the Design-Builder provide certain security for its obligations, which will include performance and labour and materials bonds and liquidated damages and may include warranty holdbacks, letters of credit and parent company guarantees for items such as LEED certification, extended warranty and latent defects.

3.3 MUNICIPAL APPROVALS

In accordance with the Design-Build Agreement, the Design-Builder will be responsible for obtaining all permits and approvals required for the design and construction of the Facility, and to ensure that its design for the Facility complies with the applicable zoning and related City of Kamloops (the "City") requirements.

Pursuant to the Design-Build Agreement, the Design-Builder will have the responsibility to obtain a development permit from the City as required for the Design-Builder's design of the Facility, and to obtain the City's approval for utility connections and other matters.

The City will meet separately and confidentially with individual Proponents. Proponents may request other meetings with the City prior to the Submission Time for Technical Submissions to allow Proponents to obtain information they may require for the preparation of Proposals. All Proponent meetings with the City will include an Authority representative.

3.4 GEOTECHNICAL AND SITE PREPARATION

The following information is available to Proponents in the Data Room:

- (a) The Authority has undertaken site preparation, all tender drawings and specifications are available to Proponents; and
- (b) The Authority will make available the geotechnical investigations in its possession which it considers appropriate without warranty regarding any recommendations for bearing pressures, settlements and the like, which may be contained in those reports.

The investigations and reports outlined in Section 3.4 of this RFP are limited to a factual record of materials and groundwater encountered at certain locations and elevations. If the Design-Builder chooses to rely in any way on the investigations and reports outlined in Section 3.4, the Design-Builder shall be deemed to have assumed and accepted all risks that the information as disclosed in the investigation and reports may not accurately or completely describe actual Site conditions including geotechnical, environmental, or soil conditions (including risk of boulders, rock and low strength soil) and ground water conditions (including risk of underground streams or water table conditions).

3.5 SITE CONSIDERATIONS AND DISCLOSED DATA

The Authority will make available the necessary as-built drawings and relevant site reports, however, neither the Authority or any of their collective representatives or consultants nor any other person on behalf of the Authority is in any way responsible or liable for the completeness, interpretation or accuracy of the as-builts or site reports or for any variation between site conditions actually encountered by the Proponent and those set out in the as-builts and site reports.

Proponents will be given the opportunity to undertake their own analysis, examinations and investigations of the site in order to satisfy themselves as to site conditions and the impact they could have on the Project. To do this, the Authority will facilitate the necessary access with each Proponent separately for the purpose of answering questions related to site conditions. In submitting a Proposal, Proponents are to confirm they understand the existing conditions, critical dimensions and limitations of the site.

3.6 SPACE REQUIREMENTS AND INDICATIVE DESIGN

The Design-Builder will be required to design and construct the Facility to accommodate the spaces, activities, functions, design features and adjacencies described in the Initial Draft Design-Build Agreement.

The Indicative Design reflects program areas and significant design. Functionality has been reviewed with Facility users who have provided input on the general layout, adjacencies, and staff flows. The Indicative Design should not be relied on by Proponents. It is for illustrative and general guidance purposes only and does not relieve the Design-Builder in any way of all responsibility for the design of the Facility

Drawings describing the Indicative Design for the Facility are available in the Data Room.

3.7 EQUIPMENT

An equipment list is provided as Appendix to Schedule 1 of the Design-Build Agreement. The Design-Builder is required to coordinate equipment installation with the building construction schedule while allowing delivery/installation as close to Substantial Completion as possible. All equipment that is Design-Builder installed is expected to be completed prior to Substantial Completion unless otherwise noted in the equipment list.

The Design-Builder will complete the design and construction of the Facility to accommodate all categories of equipment described in the equipment list in accordance with the Design-Build Agreement.

3.8 LEED®/ENERGY

The Design-Builder will be required to obtain LEED® Gold Certification for the Facility. The Facility has been registered with the Green Building Council under the LEED® Canada-NC 2009 rating system. Registration under LEED® NC 1.0 rating system allows for the use of certain credit targets or thresholds under LEED® NC 2009 or LEED® NC 1.0 as per equivalencies allowed by the Green Building Council.

3.9 WOOD FIRST

As required by the Wood First Act (British Columbia), the Design-Builder will be required to use wood wherever the building code requirements permit. Schedule 1 [Statement of Requirements] of the Design-Build Agreement provides a matrix that indicates specific locations where wood must be used. In addition, Proponents are encouraged to use wood in areas that may require innovation, including any building code alternative solutions.

4 AFFORDABILITY

A key objective of the Competitive Selection Process is to maximize the Project scope while meeting the Project’s Design-Build Price Ceiling requirements.

4.1 DESIGN-BUILD PRICE CEILING

The Authority has identified a mandatory Design-Build Price Ceiling of \$66,858,000, for the Nominal Cost of the Proposal. Project approvals by the Authority have been based on this Design-Build Price Ceiling.

4.2 NOMINAL COST CALCULATION

Each Proponent must calculate the Nominal Cost of its Proposal and should use the Form A1 - Breakdown of Contract Price, provided by the Authority. The completed Breakdown of Contract Price and the Nominal Cost of the Proposal calculation should be submitted with the Proponent’s Proposal. This Nominal Cost of the Proposal will be compared to the Design-Build Price Ceiling for evaluation purposes as described in Appendix A of this RFP.

The Breakdown of Contract Price is available in the Data Room as “Form A1 – Breakdown of Contract Price.xls”.

4.3 SCOPE LADDER

If not all of the elements of the Statement of Requirements are achievable within the Design-Build Price Ceiling, a Proponent may propose to reduce the scope of the Project by one or more of the scope items set out in an approved list (the “**Scope Ladder**”). Proponents proposing reductions to the scope of the Project will limit their proposed reductions to items identified by the Authority in the Scope Ladder, and reductions will only be made in the order set out in the Scope Ladder (e.g., the Scope Ladder item ranked 1 is to be used first).

For the purposes of discussion, Table 1 provides a preliminary list of Scope Ladder items to be used in the order shown.

Proposals submitted by fax or email will not be accepted.

6.4 LANGUAGE OF PROPOSALS

Proposals should be in English. Any portion of a Proposal not in English may not be evaluated.

6.5 RECEIPT OF COMPLETE RFP

Proponents are responsible to ensure that they have received the complete RFP, as listed in the table of contents of this RFP, plus any Addenda. A submitted Proposal will be deemed to have been prepared on the basis of the entire RFP issued prior to the Submission Time for Technical Submissions. The Authority accepts no responsibility for any Proponent lacking any portion of this RFP.

6.6 ENQUIRIES

Proponents are encouraged to submit Enquiries using the Request for Information Form (Appendix J) at an early date to permit consideration by the Authority:

- for Enquiries of a technical nature: prior to 5:00 pm Pacific Time on the day that is 10 Business Days before the Submission Time for Technical Submissions; and
- for Enquiries of a financial nature: prior to 5:00 pm Pacific Time on the day that is 5 Business Days before the Submission Time for Financial Submissions.

The Authority may, in its discretion, decide not to respond to any Enquiry.

All Enquiries regarding any aspect of this RFP should be directed to the Contact Person by email, and the following applies to any Enquiry:

- (a) responses to an Enquiry will be in writing;
- (b) all Enquiries, and all responses to Enquiries from the Contact Person, will be recorded by the Authority;
- (c) the Authority is not required to provide a response to any Enquiry;

- (d) a Proponent may request that a response to an Enquiry be kept confidential by clearly marking the Enquiry “Commercial in Confidence” if the Proponent considers that the Enquiry is commercially confidential to the Proponent;
- (e) if the Authority decides that an Enquiry marked “Commercial in Confidence”, or the Authority’s response to such an Enquiry, must be distributed to all Proponents, then the Authority will permit the enquirer to withdraw the Enquiry rather than receive a response and if the Proponent does not withdraw the Enquiry, then the Authority may provide its response to all Proponents;
- (f) notwithstanding Sections 6.6 (d) and 6.6 (e):
 - (1) if one or more other Proponents submits an Enquiry on the same or similar topic to an Enquiry previously submitted by another Proponent as “Commercial in Confidence”, the Authority may provide a response to such Enquiry to all Proponents; and
 - (2) if the Authority determines there is any matter which should be brought to the attention of all Proponents, whether or not such matter was the subject of an Enquiry, including an Enquiry marked “Commercial in Confidence”, the Authority may, in its discretion, distribute the Enquiry, response or information with respect to such matter to all Proponents.

Information offered from sources other than the Contact Person with regard to this RFP is not official, may be inaccurate, and should not be relied on in any way, by any person for any purpose.

6.7 ELECTRONIC COMMUNICATION

Proponents should only communicate with the Contact Person by email. Other methods of communication, including telephone or fax, are discouraged.

The following provisions will apply to any email communications with the Contact Person, or the delivery of documents to the Contact Person by email where such email communications or deliveries are permitted by the terms of this RFP:

- (a) the Authority does not assume any risk or responsibility or liability whatsoever to any Proponent:
 - (1) for ensuring that any electronic email system being operated for the Authority or Partnerships BC is in good working order, able to receive transmissions, or not engaged in receiving other transmissions such that a Proponent’s transmission cannot be received; or

(2) if a permitted email communication or delivery is not received by the Authority or Partnerships BC, or received in less than its entirety, within any time limit specified by this RFP; and

(b) all permitted email communications with, or delivery of documents by email to, the Contact Person will be deemed as having been received by the Contact Person on the dates and times indicated on the Contact Person's electronic equipment.

6.8 ADDENDA

The Authority may, in its sole and absolute discretion through the Contact Person, amend this RFP at any time by issuing a written Addendum. Written Addenda are the only means of amending or clarifying this RFP, and no other form of communication whether written or oral, including written responses to Enquiries as provided by Section 6.6, will be included in, or in any way amend, this RFP. Only the Contact Person is authorized to amend or clarify this RFP by issuing an Addendum. No other employee or agent of the Authority is authorized to amend or clarify this RFP. The Authority will provide a copy of all Addenda to all Proponents.

6.9 INTELLECTUAL PROPERTY RIGHTS

(a) Grant of Licence

Subject to Section 6.9 (b), by submitting a Proposal, each Proponent will, and will be deemed to have:

- (1) granted to the Authority a royalty-free licence without restriction to use for this Project any and all of the information, ideas, concepts, products, alternatives, processes, recommendations, suggestions and other intellectual property or trade secrets (collectively the "**Intellectual Property Rights**") contained in the Proponent's Proposal, or that are otherwise disclosed by the Proponent to the Authority; and
- (2) waived or obtained a waiver of all moral rights contained in the Proposal.

Proponents will not be responsible or liable for any use by the Authority or any sub-licensee or assignee of the Authority of any Intellectual Property Rights contained in a Proposal.

(b) Exceptions to Licence

The licence granted under Section 6.9 (a) does not extend to Third Party Intellectual Property Rights to non-specialized third-party technology and software that are generally commercially available. By submitting a Proposal, each Proponent represents to the Authority that it owns or

has, and will continue to own or have at the Submission Time for Technical Submissions, all necessary rights to all Third Party Intellectual Property Rights contained in its Proposal or otherwise disclosed by the Proponent to the Authority and, subject to the foregoing exceptions, has the right to grant a licence of such Third Party Intellectual Property Rights in accordance with Section 6.9 (a).

6.10 DEFINITIVE RECORD

If there is any inconsistency between the paper form of a document and the digital, electronic or other computer readable form, the electronic conformed version of the document in the custody and control of the Authority prevails.

6.11 AMENDMENTS TO PROPOSALS

A Proponent may:

- (a) amend any aspect of its Technical Submission by delivering written notice, or written amendments, to the Submission Location prior to the Submission Time for Technical Submissions;
- (b) amend any aspect of its Financial Submission by delivering written notice, or written amendments, to the Submission Location prior to the Submission Time for Financial Submissions; and
- (c) in its Financial Submission, amend its Technical Submission as contemplated in Section 6.1 (b).

A Proponent may not amend any aspect of its Proposal except as set out above.

6.12 CHANGES TO PROPONENT TEAMS

If for any reason a Proponent wishes or requires to add, remove or otherwise change a member, or the role of a member, of its Proponent Team after it was shortlisted by the Authority under the RFQ, or to remove a member of its team, or to include new members on its team, or there is a material change in ownership or control of a member of the Proponent Team, or there is a change to the legal relationship among any or all of the Proponent and its Proponent Team members, then the Proponent must submit a written application to the Authority for approval, including supporting information that may assist the Authority in evaluating the change. The Authority, in its discretion, may grant or refuse an application under this Section, and in exercising its discretion the Authority will consider the objective of achieving a competitive procurement process that is not unfair to the other Proponents. For clarity:

- (a) the Authority may refuse to permit a change to the membership of a Proponent Team if the change would, in the Authority's judgment, result in a weaker team than was originally shortlisted;
or
- (b) the Authority may, in the exercise of its discretion, permit any changes to a Proponent Team, including changes as may be requested arising from changes in ownership or control of a Proponent or a Proponent Team member, or changes to the legal relationship among the Proponent and/or Proponent Team members, such as the creation of a new joint venture or other legal entity or relationship in place of the Proponent Team originally shortlisted.

The Authority's approval may include such terms and conditions as the Authority may consider appropriate.

6.13 VALIDITY OF PROPOSALS

By submitting a Proposal, each Proponent agrees that:

- (a) its Proposal, including all prices and input costs, will remain fixed and irrevocable from the Submission Time for Financial Submissions until midnight at the end of the 90th Business Day following the Submission Time for Financial Submissions (the "**Proposal Validity Period**"); and
- (b) after the expiry of the Proposal Validity Period, all prices and input costs in its Proposal may not be adjusted unless the Proponent provides notice to the Authority of any proposed adjustment and demonstrates to the satisfaction of the Authority that the Proponent has used its best efforts to continue to maintain the prices and input costs firm and valid, but that despite such best efforts, the specified adjustments to the prices and input costs are required solely as a direct result of one or more events that:
 - (1) are external to the Proponent and the Proponent Team members;
 - (2) could not have been prevented by, and are beyond the control of, the Proponent and any of its Proponent Team members; and
 - (3) constitute a material adverse change to the conditions underlying the prices and input costs that are subject to the adjustment.

A Proponent may indicate in its Proposal a Proposal Validity Period that exceeds 90 Business Days.

6.14 MATERIAL CHANGE AFTER SUBMISSION TIME FOR FINANCIAL SUBMISSIONS

A Proponent will give immediate notice to the Authority of any material change that occurs to a Proponent after the Submission Time for Financial Submissions, including a change to its membership or a change to the Proponent's financial capability.

6.15 ACCEPTABLE EQUIVALENTS

The Statement of Requirements is intended to generally be performance-based, but includes in some instances specifically required elements of Design and Construction, such as products, materials, equipment, and building systems that the Authority considers are important to meet the Authority's objectives. However, the Authority wishes to provide some flexibility for Proponents to propose equivalent elements that on an overall basis may, in accordance with the process below, be considered by the Authority in its discretion to meet the Authority's objectives.

A Proponent may submit an Enquiry marked "Commercial in Confidence" that identifies the section(s) in the Statement of Requirements that contain the element for which the Proponent wishes to propose an equivalent, the proposed equivalent that it considers will be equal to or better than the specified element in meeting the Authority's objectives, and supporting materials. The Authority may, in its discretion, request additional supporting materials.

The Authority may, in its discretion:

- (a) respond to indicate that the proposed equivalent is acceptable;
- (b) respond to indicate that the Authority does not consider the proposed equivalent to be acceptable;
- (c) not respond to the Enquiry; or
- (d) provide any other response in accordance with Section 6.6.

The provisions of Section 6.6 relating to "Commercial in Confidence" Enquiries will apply, including with respect to withdrawal of an Enquiry, Enquiries by more than one Proponent on the same or similar topics, or the Authority's determination if there is a matter which should be brought to the attention of all Proponents.

If the Authority responds to a "Commercial in Confidence" Enquiry, or responds to any Enquiry that is not "Commercial in Confidence" regarding a proposed equivalent to indicate that the proposed equivalent is acceptable, a Proponent may make its Technical Submission on the basis of the response and the use of

the acceptable equivalent will not in and of itself be a failure to meet the requirements set out in Appendix A.

Unless the Authority responds to indicate that a proposed equivalent is acceptable, a Proponent is at risk that the use of a proposed equivalent will be not substantially meet the requirements set out in Appendix A and that the Authority may not invite the Proponent to provide a Financial Submission.

The Authority will be under no obligation to provide the indication of acceptability of the proposed equivalent to the Proponent or to any other Proponent.

Despite any indication by the Authority of the acceptability of an equivalent, the Design-Builder remains responsible for fulfilling all of its obligations and responsibilities under the Design-Build Agreement.

Following selection of the Preferred Proponent, the Design-Build Agreement will, in accordance with Section 8.2, be amended to include all acceptable equivalent(s) used by that Preferred Proponent, or negotiated by the Authority and the Preferred Proponent, whether or not proposed by any other Proponent.

7 EVALUATION

7.1 MANDATORY REQUIREMENTS

The Authority has determined that the following are the Mandatory Requirements:

- (a) the Proponent must have signed and delivered to the Contact Person the Participation Agreement in accordance with Section 5.1;
- (b) the Technical Submission must be received at the Submission Location before the Submission Time for Technical Submissions and, if invited to submit such, the Financial Submission must be received at the Submission Location before the Submission Time for Financial Submissions;
- (c) the Nominal Cost of the Proposal as at the Submission Time for Financial Submissions must not exceed the Design-Build Price Ceiling; and
- (d) Proponents proposing reductions to the scope of the Statement of Requirements must do so in accordance with Section 4.3.

Subject to Section 7.2, the Authority reserves the right to evaluate any Proposal where the Scope Ladder has been exhausted and the Design-Build Price Ceiling requirements have not been met, but will do so only in the event that the Proposals received from all the Proponents do not meet the Design-Build Price Ceiling requirement as per Section 7.1 (c) above.

7.2 EVALUATION OF PROPOSALS

The Authority will evaluate Proposals in the manner set out in Appendix A. The Authority will not evaluate a Proposal if it has been rejected, or if the applicable Proponent has been disqualified, in accordance with this RFP.

The Authority may, in its discretion, take any one or more of the following steps, at any time and from time to time, in connection with the review and evaluation, including ranking, of any aspect of a Proposal, including if the Authority considers that any Proposal, including the Technical Submission or the Financial Submission, or any part of a Proposal, requires clarification or more complete information, contains defects, alterations, qualifications, omissions, inaccuracies or misstatements, or does not for any reason whatsoever satisfy the Authority that the Proposal meets any requirements of this RFP at any time, or for any other reason the Authority in its discretion deems appropriate and in the interests of the Authority and this RFP, or either of them:

- (a)** waive any such defect, ambiguity, alteration, qualification, omission, inaccuracy, misstatement or failure to satisfy, and any resulting ineligibility on the part of the Proponent, or any member of the Proponent Team;
- (b)** independently consider, investigate, research, analyze, request or verify any information or documentation whether or not contained in any Proposal;
- (c)** request interviews or presentations with any, all or none of the Proponents to clarify any questions or considerations based on the information included in Proposals during the evaluation process, with such interviews or presentations conducted in the discretion of the Authority, including the time, location, length and agenda for such interviews or presentations;
- (d)** conduct reference checks relevant to the Project with any or all of the references cited in a Proposal and any other persons (including persons other than those listed by Proponents in any part of their Proposals) to verify any and all information regarding a Proponent, inclusive of its directors/officers and Key Individuals, and to conduct any background investigations that it considers necessary in the course of the Competitive Selection Process, and rely on and consider any relevant information from such cited references in the evaluation of Proposals;
- (e)** conduct credit, criminal record, litigation, bankruptcy, taxpayer information and other checks;
- (f)** not proceed to review and evaluate, or discontinue the evaluation of any Proposals, including any Technical Submission or Financial Submission, and disqualify the Proponent from this RFP; and
- (g)** seek clarification or invite more complete, supplementary, replacement or additional information or documentation from any Proponent or in connection with any Proposal, including with any Technical Submission or Financial Submission or any part of their component packages.

Without limiting the foregoing or Appendix A, the Authority may, in its discretion (and without further consultation with the Proponent), reject any Proposal which in the opinion of the Authority:

- (a)** is materially incomplete or irregular;
- (b)** contains omissions, exceptions or variations (including any modifications, changes or additions to the Final Draft Design-Build Agreement, other than as provided for in Sections 4.3 or 8.2) not acceptable to, or material to, the Authority;
- (c)** contains any false or misleading statement, claims or information; or
- (d)** contains any false statements, criminal affiliations or activities by a Proponent or Proponent Team member.

To enable the Authority to take any one or more of the above-listed steps, the Authority may enter into separate and confidential communications of any kind whatsoever, with any person, including any Proponent. The Authority has no obligation whatsoever to take the same steps, or to enter into the same or any communications in respect of all Proponents and Proposals, or in respect of any Proponent, including the Proponent whose Proposal is the subject of the review or evaluation, as the case may be.

The review and evaluation, including the ranking, of any Proposal may rely on, take into account and include any information and documentation, including any clarification, more complete, supplementary and additional or replacement information or documentation, including information and documentation obtained through any of the above-listed investigations, research, analyses, checks, and verifications.

Proponents may not submit any clarifications, information or documentation in respect of the Technical Submission after the Submission Time for Technical Submissions and in respect of the Financial Submission after the Submission Time for Financial Submissions, without the prior written approval of the Authority or without an invitation or request by the Authority.

If any information, including information as to experience or capacity, contained in a Proposal is not verified to the Authority's satisfaction, the Authority may, in its discretion, not consider such cited experience, capacity or other information.

The Authority is not bound by industry custom or practice in taking any of the steps listed above, in exercising any of its discretions, in formulating its opinions and considerations, exercising its discretions in making any decisions and determinations, or in discharging its functions under or in connection with this RFP, or in connection with any Proponent, Proposal, or any part of any Proposal, including any Technical Submission or Financial Submission.

As part of the evaluation of a Technical Submission, the Authority may identify that the Authority is not satisfied that the Technical Submission meets one or more requirements of the Final Draft Design-Build Agreement. The Authority may, but is not required to, reject that Proposal in accordance with the terms of this RFP. If the Authority does not exercise its discretion to reject the Proposal, the Authority may provide to the Proponent a list of the items that the Authority is not satisfied meet the requirements of the Final Draft Design-Build Agreement. The Proponent will, if selected as Preferred Proponent, be required to comply with the requirements of the Final Draft Design-Build Agreement, including by rectifying any non-compliances (material or otherwise) in its Proposal. By submitting its Financial Submission, a Proponent that has received such a list will be deemed to have agreed to comply with the requirements of the Final Draft Design-Build Agreement, including by rectifying any non-compliances (material or otherwise) in its Proposal.

The Authority is not responsible for identifying all areas in which a Technical Submission does not meet the requirements of the Final Draft Design-Build Agreement. Irrespective of whether the Authority has identified or has failed to identify any such areas (including whether the Authority has provided a list or not), a Proponent is not relieved in any way from meeting the requirements of this RFP, and if selected as Preferred Proponent will not be relieved from meeting all requirements of the Final Draft Design-Build Agreement, including by rectifying any non-compliances (material or otherwise) in its Proposal.

The Authority will, subject to the provisions of this RFP, invite each Proponent that has delivered a Technical Submission that has not been rejected to submit a Financial Submission.

8 SELECTION OF PREFERRED PROPONENT AND AWARD

8.1 SELECTION AND AWARD

If the Authority selects a Preferred Proponent, the Proponent with the highest ranked Proposal will be selected as the Preferred Proponent, and the Authority will invite the Preferred Proponent to enter into final discussions to settle all terms of the Design-Build Agreement, based on the Preferred Proponent's Proposal, including any clarifications that the Preferred Proponent may have provided during the evaluation of Proposals.

If for any reason the Authority determines that it is unlikely to reach final agreement with the Preferred Proponent, then the Authority may terminate the discussions with the Preferred Proponent and proceed in any manner that the Authority may decide, in consideration of its own best interests, including:

- (a) terminating the procurement process entirely and proceeding with some or all of the Project in some other manner, including using other contractors; or
- (b) inviting one of the other Proponents to enter into discussions to reach final agreement for completing the Project.

Any final approvals required by the Authority, such as from the Provincial Government, will be conditions precedent to the final execution or commencement of the Design-Build Agreement.

8.2 FINAL DRAFT DESIGN-BUILD AGREEMENT

It is the intention of the Authority that:

- (a) any issues with respect to the Initial Draft Design-Build Agreement will be discussed during the Collaborative Meetings and fully considered prior to issuance of the Final Draft Design-Build Agreement; and
- (b) once issued, the Final Draft Design-Build Agreement will not be further substantively modified and will be executed by the Preferred Proponent without further substantive amendment, except for changes, modifications and additions:
 - (1) relating to the determination by the Authority, in its discretion, of which:
 - i. parts, if any, of the Proposal are to be incorporated by reference or otherwise, into the Design-Build Agreement or otherwise pursuant to express provisions of the Design-Build Agreement; or

- ii. modifications, changes or additions, if any, requested by a Proponent pursuant to Section 4.3 that are acceptable to the Authority;
- (2) to those provisions or parts of the Final Draft Design-Build Agreement that are indicated as being subject to completion or finalization, or which the Authority determines in its discretion require completion or finalization, including provisions that require:
- i. modification or the insertion or addition of information relating to the Proponent's formation (e.g., corporate, partnership or trust structure) and funding structure; and
 - ii. modification or the insertion or addition of information in order to reflect accurately the nature of the Proponent's relationships with its principal subcontractors (including each of the project contractors);
- (3) required by the Authority to complete, based on the Proposal, any provision of the Final Draft Design-Build Agreement, including changes, modifications and additions contemplated in or required under the terms of the Final Draft Design-Build Agreement;
- (4) that are necessary to create or provide for a legally complete, enforceable and binding agreement;
- (5) that enhance clarity in legal drafting; or
- (6) that reflect acceptable equivalents in accordance with Section 6.15.

The Authority also reserves the right in its discretion to negotiate changes to the Final Draft Design-Build Agreement and to the Preferred Proponent's Proposal.

Upon Contract Execution, the Design-Build Agreement, and the instruments and documents to be executed and delivered pursuant to it, supersede (except as expressly incorporated therein) the RFP and the Proposal submitted in respect of the Design-Builder.

8.3 PREFERRED PROPONENT SECURITY DEPOSIT

Subject to the terms of this RFP:

- (a) the Authority will invite the Preferred Proponent to deliver the Preferred Proponent Security Deposit on or before the date and time specified by the Authority, such date not to be earlier than 5 Business Days after notification of the appointment of the Preferred Proponent; and

- (b)** the Preferred Proponent's eligibility to remain the Preferred Proponent is conditional upon the Preferred Proponent delivering the Preferred Proponent Security Deposit to the Authority on or before the date and time specified by the Authority.

8.4 RETURN OF SECURITY DEPOSIT

Subject to Section 8.5, the Authority will return the Preferred Proponent Security Deposit to the Preferred Proponent:

- (a)** within 10 Business Days after receipt by the Authority of notice of demand from the Preferred Proponent, if:
- (1) the Authority exercises its right under Section 10.1 to terminate this RFP prior to entering into the Design-Build Agreement for reasons unrelated to the Preferred Proponent or any member of the Preferred Proponent's Proponent Team; or
 - (2) the Authority fails, within the Proposal Validity Period, to execute and deliver an agreement substantially in the form of the Final Draft Design-Build Agreement finalized by the Authority in accordance with Section 8.2, provided that such failure is not the result of:
 - i. the failure of the Preferred Proponent to satisfy any conditions set out in the Final Draft Design-Build Agreement; or
 - ii. any extensions to the Proposal Validity Period arising from any agreement by the Authority to negotiate changes to the Final Draft Design-Build Agreement pursuant to Section 8.2; or

within 10 Business Days after Contract Execution with such Preferred Proponent.

8.5 RETENTION OF SECURITY DEPOSIT

Notwithstanding any receipt by the Authority of the notice described in Section 8.4, the Authority may, in its discretion, draw on, retain and apply the proceeds of the Preferred Proponent Security Deposit for the Authority's own use as liquidated damages, if:

- (a)** the Proponent or any Proponent Team member is in material breach of any term of this RFP or the Participation Agreement; or
- (b)** after receipt of written notice from the Authority:

- (1) the Preferred Proponent fails to execute and deliver an agreement substantially in the form of the Final Draft Design-Build Agreement finalized by the Authority in accordance with Section 8.2; or
- (2) Contract Execution fails to occur within 20 Business Days (or such longer period as the parties may agree) of receipt of such notice from the Authority,

unless:

- (3) any such failure was the result of a significant event which could not have been reasonably prevented by, or was beyond the reasonable control of, the Preferred Proponent; and
- (4) the Preferred Proponent demonstrates to the Authority's satisfaction, acting reasonably, that the occurrence of such significant event would materially frustrate or render it impossible for the Preferred Proponent to perform its obligations under the Design-Build Agreement for a continuous period of 125 Business Days as if the Design-Build Agreement was in force and effect.

8.6 PARTIAL COMPENSATION FOR PARTICIPATION IN THIS RFP

Upon execution of the Design-Build Agreement, the Authority will pay \$50,000 (inclusive of any taxes payable) to each unsuccessful Proponent that:

- (a)** complied with the Mandatory Requirements;
- (b)** received an Invitation to Submit a Financial Submission;
- (c)** has not withdrawn from the Competitive Selection Process or been disqualified by the Authority in accordance with the terms of this RFP; and
- (d)** provides to the Authority written acknowledgment of:
 - (1) the disclaimers, limitations and waivers of liability and claims contained in this RFP, including Section 10.13; and
 - (2) the grant of Intellectual Property Rights to the Authority and waiver of moral rights pursuant to Section 6.9.

If the Authority exercises its right under Section 10.1 to terminate the RFP process prior to entering into the Design-Build Agreement with a Proponent, the Authority will pay to each Proponent that satisfies the requirements (to the extent applicable) set out in (a) – (d) above the lesser of:

- (a) \$50,000 (inclusive of any taxes payable); and
- (b) the substantiated out-of-pocket costs reasonably incurred by the Proponent in preparing its Proposal,

provided that if the Authority exercises such rights after the selection of a Preferred Proponent, the Preferred Proponent must have delivered the Preferred Proponent Security Deposit in accordance with Section 8.3 to be entitled to receive any such payment.

In determining whether to make available the partial compensation described in this Section 8.6, the Authority considered the potential value of obtaining the licence to the Authority of rights to the Intellectual Property Rights and the waiver of moral rights pursuant to Section 6.9. Accordingly, the Authority may, in its discretion, offer to pay up to \$50,000 (inclusive of any taxes payable) to a Proponent that is not otherwise entitled to payment under this Section 8.6 on conditions established by the Authority in its discretion. The conditions may include the Authority reviewing the Intellectual Property Rights (such as for a Proposal that was returned) and being satisfied with the value of such rights and the Proponent entering into an agreement with the Authority granting licence rights to the Authority. Such arrangements will not be governed by this RFP.

8.7 DEBRIEFS

The Authority will, following Contract Execution, upon request from a Proponent within 40 Business Days of Contract Execution, conduct a debriefing for that Proponent.

9 CONFLICT OF INTEREST AND RELATIONSHIP DISCLOSURE

9.1 RESERVATION OF RIGHTS TO DISQUALIFY

The Authority reserves the right to disqualify any Proponent that in the Authority's opinion has a conflict of interest or an unfair advantage (including access to any confidential information not available to all Proponents), whether real, perceived, existing now or likely to arise in the future, or may permit the Proponent to continue and impose such conditions as the Authority may consider to be in the public interest or otherwise required by the Authority.

9.2 RELATIONSHIP DISCLOSURE

Each Proponent, including each member of the Proponent Team, should fully disclose all relationships they may have with the Authority, any Restricted Party, or any other person providing advice or services to the Authority with respect to the Project or any other matter that gives rise, or might give rise, to a conflict of interest or an unfair advantage:

- (a) by submission of completed Relationship Disclosure Forms with its Proposal; and
- (b) at any time during the Competitive Selection Process by written notice addressed to the Contact Person promptly after becoming aware of any such relationship.

At the time of such disclosure, the Proponent will include sufficient information and documentation to demonstrate that appropriate measures have been, or will be, implemented to mitigate, minimize or eliminate the actual, perceived or potential conflict of interest or unfair advantage, as applicable. The Proponent will provide such additional information and documentation and implement such additional measures as the Authority or the COI Adjudicator may require in its discretion in connection with the consideration of the disclosed relationship and proposed measures.

9.3 USE OR INCLUSION OF RESTRICTED PARTIES

The Authority may, in its discretion, disqualify a Proponent, or may permit a Proponent to continue and impose such conditions as the Authority may consider to be in the public interest or otherwise required by the Authority, if the Proponent is a Restricted Party, or if the Proponent uses a Restricted Party:

- (a) to advise or otherwise assist the Proponent respecting the Proponent's participation in the Competitive Selection Process; or
- (b) as a Proponent Team member or as an employee, advisor or consultant to the Proponent or a Proponent Team member.

Each Proponent is responsible to ensure that neither the Proponent nor any Proponent Team member uses or obtains advice or assistance in relation to the Project from any Restricted Party, or includes any Restricted Party in the Proponent Team.

9.4 CURRENT RESTRICTED PARTIES

At this RFP stage, and without limiting the definition of Restricted Parties, the Authority has identified the following persons as Restricted Parties:

- (a) Douglas Hopkins, Boughton Law Corp. (Legal Advisor);
- (b) John Singleton, Q.C., Singleton Urquhart (Fairness Advisor);
- (c) Dialog (Compliance Team) and their sub-consultants, including:
 - (1) AME Consulting Group;
 - (2) Genivar;
 - (3) L.A. West Associates;
 - (4) McElhanney Consulting;
 - (5) LMDG Building Code Consultants; and
 - (6) Opus International Consultants.
- (d) Thurber Engineering;
- (e) SSA Quantity Surveyor's Ltd.; and
- (f) the Authority and Partnerships BC, including their former and current employees who fall within the definition of Restricted Party.

This is not an exhaustive list of Restricted Parties. Additional persons may be added to, or deleted from, the list during any stage of the Competitive Selection Process through an Addendum.

9.5 CONFLICT OF INTEREST ADJUDICATOR

The Authority has appointed a Conflict of Interest Adjudicator (the "**COI Adjudicator**") to provide decisions on conflicts of interest, unfair advantage or exclusivity issues, including whether any person is a Restricted Party. The Authority may, at its discretion, refer matters to the COI Adjudicator.

9.6 REQUEST FOR ADVANCE DECISION

A Proponent or a prospective member or advisor of a Proponent who has any concerns regarding whether a current or prospective employee, advisor or member of that Proponent is, or may be, a

Restricted Party, or has a concern about any conflict or unfair advantage it may have, is encouraged to request an advance decision by submitting to the Contact Person, not less than 10 Business Days prior to the Submission Time for Technical Submissions, by email, the following information:

- (a) names and contact information of the Proponent and the person for which the advance opinion is requested;
- (b) a description of the relationship that raises the possibility or perception of a conflict of interest or unfair advantage;
- (c) a description of the steps taken to date, and future steps proposed to be taken, to mitigate the conflict of interest or unfair advantage, including the effect of confidential information; and
- (d) copies of any relevant documentation.

The Authority may make an advance decision or may refer the request for an advance decision to the COI Adjudicator. If the Authority refers the request to the COI Adjudicator, the Authority may make its own submission to the COI Adjudicator.

If a Proponent or prospective team member or advisor becomes a Restricted Party, it may be listed in an Addendum or in subsequent Competitive Selection Process documents as a Restricted Party.

9.7 THE AUTHORITY MAY REQUEST ADVANCE DECISIONS

The Authority may also independently make advance decisions, or may seek an advance decision from the COI Adjudicator, where the Authority identifies a potential conflict, unfair advantage, or a person who may be a Restricted Party. The Authority will, if it seeks an advance decision from the COI Adjudicator, provide the COI Adjudicator with relevant information in its possession. If the Authority seeks an advance decision from the COI Adjudicator, the Authority will give notice to the Proponent, and may give notice to the possible Restricted Party so that it may make its own response to the COI Adjudicator.

The onus is on the Proponent to clear any potential conflict, unfair advantage, or Restricted Party, or to establish any conditions for continued participation, and the Authority may require that the Proponent make an application under Section 9.6.

9.8 DECISIONS FINAL AND BINDING

The decision of the Authority or the COI Adjudicator, as applicable, is final and binding on the persons requesting the ruling and all other parties including Proponents, Proponent Team members and the Authority. The Authority or the COI Adjudicator, as applicable, has discretion to establish the relevant

processes from time to time, including any circumstances in which a decision may be amended or supplemented.

The Authority may provide any decision by the Authority or the COI Adjudicator regarding conflicts of interest to all Proponents if the Authority, in its discretion, determines that the decision is of general application.

9.9 SHARED USE

A Shared Use Person is a person identified by the Authority as eligible to do work for more than one Proponent, including a person who has unique or specialized information or skills such that the Authority considers in its discretion their availability to all Proponents to be desirable in the interests of the Competitive Selection Process. Any Shared Use Person will be required to agree not to enter into exclusive arrangements with any Proponent.

As of the date of this RFP, no Shared Use Persons have been identified.

9.10 EXCLUSIVITY

Unless permitted by the Authority in its discretion or permitted as a Shared Use Person, each Proponent will ensure that no member of its Proponent Team, or any Affiliated Person of any member of its Proponent Team, participates as a member of any other Proponent Team.

If a Proponent contravenes the foregoing, the Authority reserves the right to disqualify the Proponent or may permit the Proponent to continue and impose such conditions as may be required by the Authority. Each Proponent is responsible, and bears the onus, to ensure that the Proponent, its Proponent Team members and their respective Affiliated Persons do not contravene the foregoing.

A Proponent or a prospective Proponent Team member who has any concerns regarding whether participation does or will contravene the foregoing is encouraged to request an advance decision in accordance with this Section through the following process:

- (a) to request an advance decision on matters related to exclusivity, the Proponent or prospective Proponent Team member should submit to the Contact Person, not less than 10 Business Days prior to the Submission Time for Technical Submissions by email, the following information:
 - (1) names and contact information of the Proponent or prospective Proponent Team member making the disclosure;
 - (2) a description of the relationship that raises the possibility of non-exclusivity;

- (3) a description of the steps taken to date, and future steps proposed to be taken, to mitigate any material adverse or potential material adverse effect of the non-exclusivity on the competitiveness or integrity of the Competitive Selection Process; and
- (4) copies of any relevant documentation.

The Authority may require additional information or documentation to demonstrate to the satisfaction of the Authority in its discretion that no such non-exclusivity exists or, if it does, that measures satisfactory to the Authority in its discretion have been or will be implemented to eliminate or mitigate any risk to the competitiveness or integrity of the Competitive Selection Process.

9.10.1 Exclusivity – the Authority May Request Advance Decisions

The Authority may also independently make advance decisions, or may seek an advance decision from the COI Adjudicator, where the Authority identifies a matter related to exclusivity. The Authority will, if it seeks an advance decision from the COI Adjudicator, provide the COI Adjudicator with relevant information in its possession. If the Authority seeks an advance decision from the COI Adjudicator, the Authority will give notice to the Proponent so that it may make its own response to the COI Adjudicator.

The onus is on the Proponent to clear any matter related to exclusivity or to establish any conditions for continued participation, and the Authority may require that the Proponent make an application under Section 9.10.

9.10.2 Exclusivity – Decisions Final and Binding

The decision of the Authority or the COI Adjudicator, as applicable, is final and binding on the persons requesting the ruling and all other parties including Proponents, Proponent Team members and the Authority. The Authority or the COI Adjudicator, as applicable, has discretion to establish the relevant processes from time to time, including any circumstance in which a decision may be amended or supplemented.

The Authority may provide any decision by the Authority or the COI Adjudicator regarding matters related to exclusivity to all Proponents if the Authority, in its discretion, determines that the decision is of general application.

The Proposals will then be ranked based on their use of Scope Ladder items, with the Proposal using the least Scope Ladder items being ranked the highest, and the Proposal using the most Scope Ladder items being ranked the lowest.

Dear Sirs/Mesdames:

Re: Royal Inland Hospital Clinical Services Building – Participation Agreement in respect of the Request for Proposals issued by the Interior Health Authority (the Authority) on [Insert Month, Day Year], as amended or otherwise clarified from time to time, including by all Addenda (the “RFP”)

This letter agreement sets out the terms and conditions of the Participation Agreement between [Insert Name of Proponent] (the “Proponent”) and the Authority, pursuant to which the Proponent agrees with the Authority as follows:

- (a) **Defined Terms.** Capitalized terms not otherwise defined in this Participation Agreement have the meanings given to them in the RFP
- (b) **Participation.** The Proponent agrees that as a condition of participating in the RFP, including the Competitive Selection Process, Collaborative Meetings and access to the Data Room, the Proponent will comply with the terms of this Participation Agreement and the terms of the RFP.
- (c) **Confidentiality.** The Proponent will comply with, and will ensure that all of the Proponent Team members and others associated with the Proponent also comply with, the confidentiality conditions attached as Schedule 1 to this Participation Agreement, all of which conditions are expressly included as part of this Participation Agreement.
- (d) **Terms of RFP.** The Proponent will comply with and be bound by, and will ensure that all of the Proponent Team members and others associated with the Proponent also comply with and are bound by, the provisions of the RFP, all of which are incorporated into this Participation Agreement by reference. Without limiting the foregoing the Proponent agrees:
 - (1) that the terms of this Participation Agreement do not limit the Proponent’s obligations and requirements under the RFP, any Data Room agreement, or any other document or requirement of the Authority;

- (2) to be bound by the disclaimers, limitations and waivers of liability and claims and any indemnities contained in the RFP, including Section 10.13 (Limitation of Damages) of the RFP. In no event will the liability of the Authority exceed the amount calculated pursuant to Section 8.6 (Partial Compensation for Participation in the RFP) of the RFP;
- (3) that the Authority's and the Proponent's obligations in respect of payments of partial compensation or other similar payment are as set out in Section 8.6 (Partial Compensation for Participation in the RFP) of the RFP; and
- (4) that the Authority's and the Proponent's obligations in respect of the Preferred Proponent Security Deposit are as set out in Sections 8.3, 8.4 and 8.5 of the RFP.

(e) Amendments. The Proponent acknowledges and agrees that:

- (1) the Authority may in its sole and absolute discretion amend the RFP at any time and from time to time; and
- (2) by submitting a Proposal the Proponent accepts, and agrees to comply with, all such amendments and, if the Proponent does not agree to any such amendment, the Proponent's sole recourse is not to submit a Proposal.

(f) General.

- (1) *Capacity to Enter Agreement.* The Proponent hereby represents and warrants that:
 - i. it has the requisite power, authority and capacity to execute and deliver this Participation Agreement;
 - ii. this Participation Agreement has been duly and validly executed by it, or on its behalf by the Proponent's duly authorized representatives; and
 - iii. this Participation Agreement constitutes a legal, valid and binding agreement enforceable against it in accordance with its terms.
- (2) *Survival following cancellation of the RFP.* Notwithstanding anything else in this Participation Agreement, if the Authority, for any reason, cancels the Competitive Selection Process or the RFP, the Proponent agrees that it continues to be bound by, and will continue to comply with, Sections (c) of this Participation Agreement.
- (3) *Severability.* If any portion of this Participation Agreement is found to be invalid or unenforceable by law by a court of competent jurisdiction, then that portion will be severed and the remaining portion will remain in full force and effect.

- (4) *Enurement.* This Participation Agreement enures to the benefit of the Authority and binds the Proponent and its successors.
- (5) *Applicable Law.* This Participation Agreement is deemed to be made pursuant to the laws of the Province of British Columbia and the laws of Canada applicable therein and will be governed by and construed in accordance with such laws.
- (6) *Headings.* The use of headings is for convenience only and headings are not to be used in the interpretation of this Participation Agreement.
- (7) *Gender and Number.* In this Participation Agreement, words imputing any gender include all genders, as the context requires, and words in the singular include the plural and vice versa.
- (8) *Including.* The word including when used in this Participation Agreement is not to be read as limiting.

Yours truly,
