NUMBER of Cervarix vaccine DOSES REQUESTED _____

**** Cervarix vaccine will be distributed based on available supply****

Important info about Cervarix vaccine:

- Will be available for a one-time program for females born in 1991, 1992 and 1993.
- Is provided in a 3 dose series at 0, 1 and 6 months.
- Comes in a single dose preloaded syringe without needles.

For information about Cervarix vaccine, see the BCCDC Immunization Manual available at www.bccdc.ca: on the right hand side, click on Information for... Health Professionals, scroll down to Guidelines and Forms, choose CD Control manual and see Chapter 2 Immunization program.

PLEASE NOTE:

- Cold chain must be maintained to ensure the potency of the vaccine.
- Bring a hard-sided cooler with ice packs when you pick up the vaccine.
- Store vaccine in the refrigerator between 2 and 8 °C.
- Return any expired or damaged vaccine to the local Health Unit.

Health Unit use only
