

Adoption and Foster Care

Resources for Teachers and Parents

1. [Adoptive Families Association of BC](#)
[Adoption 101 for Teachers](#)
General information on caring for children who are adopted. Includes articles, educational opportunities and external resources.
2. [Teacher's Guide to Adoption](#)
Educators as a resource. Includes several modules focusing on topics related to teaching about adoption and supporting adopted children in the classroom setting.
3. [Child Welfare Information Gateway](#)
A U.S. based organization with several resource links that speak directly to teaching adoption in the classroom.
4. ["Let's Learn Together"](#)
This booklet aims to provide an insight into challenges that might arise and various suggestions on how to manage key areas of difficulty for both parents and teachers.
