

One in four people who are living with HIV don't know it.

Health Outreach Team

Meeting you where you are at.

1.866.778.7736

Who we are

We are a team of nurses who provide testing, care and support services for HIV and infections spread through blood.

Our services are confidential and free. We can come to you or you can come to us.

What we do

- *Test*
- *Inform and educate*
- *Connect to community resources, care and treatment*
- *Provide harm reduction services*

How to reach us

Call **1.866.778.7736** to learn more about our services or to meet with one of our nurses.
