**Test your drugs
before using**

Consider these additional tips if you are going to use drugs

- Use fentanyl testing strips to find out if your drug contains fentanyl
- Carry naloxone and know how to use it
- Find drug checking locations at www.drugchecking.ca
- Start with a small amount and space out your doses
- Be aware of risks if mixing with other drugs, including alcohol
- Use with others around or at an Overdose Prevention Site if available in your community (OPS)
- Get the LifeGuard App - lifeguarddh.com
- Call 211 or visit bc211.ca to find services near you
