

MyHealthPortal Features

View lab results, medical imaging reports (such as X-ray, CT and ultrasound scans), certain transcribed reports, upcoming appointments, and visit history. You can also update your contact information.

Privacy

Protect your privacy! Never share your login or password information. Take care when viewing MyHealthPortal at a public location or printing information from the portal.

How to get a MyHealthPortal account

1. Complete the **Authorization For Access to MyHealthPortal Account For Mature Minor** form.
2. Have the form signed by your Health Care Provider. (Family Doctor, Nurse Practitioner, Psychologist)
3. Contact MyHealthPortal support for information on securing uploading your completed form. Do not email the form. Alternatively, you can take the form to Health Records at your local hospital/health records for verification.
4. You will receive an email notification when you can complete your enrolment.

Personal information contained on this form is collected under The Freedom of Information and Protection of Privacy. Act and will be used only for the purpose of responding to your request.

I would like to request unrestricted access to my personal health information contained within MyHealthPortal

Name (First/Middle/Last) _____
 Date of Birth (dd/mm/yyyy) _____
 Day Phone _____ Email _____
 Mailing Address _____
 City/Town _____ Province _____ Country _____ Postal Code _____
 Date (dd/mm/yyyy) _____ Full Name _____ Signature _____

Section below to be completed by a Physician, Nurse Practitioner or Psychologist

The Minor above has requested to have unrestricted access to his/her Personal Health Record via the Interior Health Patient Portal – MyHealthPortal. MyHealthPortal is an on-line web-based system that display information contained in the Interior Health Enterprise Medical System (MEDITECH). This currently includes Lab and Microbiology Results, Medical Imaging Reports, Certain Transcribed Reports, Upcoming Visits, Allergies and Personal Demographic Information. Addition information will be made available in the future.

As his/her Health Care Provider, you are requested to complete the Form to confirm that the Minor is sufficiently mature and capable to understand the information contained in their Personal Health Record.

A Minor is defined as anyone under the Age of Majority (19 years in B.C.)

I confirm that this Patient is sufficiently mature/capable to have unrestricted access to the personal health information contained within MyHealthPortal:

Health Care Provider Name (First/Middle/Last) _____
