Health and well-being for all

Quality | Integrity | Compassion | Safety

Land Acknowledgement

Interior Health would like to recognize and acknowledge the traditional, ancestral, and unceded territories of the Dãkelh Dené, Ktunaxa, Nlaka'pamux, Secwépemc, St'át'imc, syilx, and Tâilhqot'in Nations where we live, learn, collaborate, and work together.

Welcome!

Welcome to the Interior Health (IH) Employed Student Nurse (ESN) & Employed Student Psychiatric Nurse (ESPN) program. This program provides you with an opportunity to earn employment while consolidating your knowledge and skills within clinical practice.

Did you know? In 2001, a nursing student questioned why they had to work in the fast food industry to earn money for tuition and housing while being enrolled in an academic healthcare program? This resulted in a nursing research study and the future development of the provincial Employed Student Nurse Program. IH has been involved in the development of this program since its inception and we are proud to continue to offer it to our undergraduates today.

As an ESN/ESPN this provides you with the opportunity to:

- Work under a Registered Nurse(RN)/Registered Psychiatric Nurse(RPN)/Nurse Practitioner(NP) designate;
- Work with the healthcare team as a valued team member;
- Provide comprehensive patient care in accordance with IH and BCCNM policies
- Consolidate your nursing skills and enhance your résumé;
- Gain valuable paid nursing experience

The ESN/ESPN Program is available for support, questions, and/or concerns throughout your employment experience. Team members will meet and check in with each and every ESN during their employment either in person, by phone, or via email. We will be there if and when you need us!

Contact Information: IHEmployedStudents@interiorhealth.ca

We appreciate that you have chosen to share your unique talents with our staff and assist our patient population with their healthcare needs! I wish you all the best for the opportunity ahead and continued success with the completion of your nursing program.

Sincerely,

ERIN BRYANT, RN, BSN, MSN
Director of Clinical Education -
Professional Practice Office

JAIME GALLAHER, RN, BSN, MSN, CHSE
Manager of Clinical Education -
Professional Practice Office

Program Information

Thank you for your interest in our Employed Student Nurse (ESN)/Employed Student Psychiatric Nurse (ESPN) Program. This document provides essential information about the program, outlining key details that will help you make an informed decision as you work through the application process. Whether you're looking to gain valuable hands-on experience or explore your future career in healthcare, this program offers an exceptional opportunity to grow and develop in a supportive environment.

Logistics

Please see below for logistical hiring information.

- ESN/ESPN hours are dependent on the fiscal year's budget allocation.
 - If hour extensions become available, the ESN/ESPN Program team will reach out.
- ESN/ESPNs have **4 months** from their chosen start date to complete these hours.
- ESN/ESPNs are only eligible for one assignment per program year (May 1 – March 31) inclusive of BSN learning assignments.

Cohort Hiring Information

At Interior Health, we recognize that every ESN/ESPN experience is unique, which is why we offer flexible cohort periods. This flexibility allows you to choose a work period that best fits your schedule, helping you make the most of your time as an ESN/ESPN. When applying, you'll select from our available 'Cohort Start Dates'. We recommend you choose an intake that starts near the end or after your educational commitments are complete. Although your official start date would be the 1st day of the month of the chosen cohort, you would have flexibility to commence your duties any time after the mandatory ESN/ESPN Orientation.

Cohorts		
May 1 st	to	September 1 st
June 1 st	to	October 1 st
July 1 st	to	November 1 st
August 1 st	to	December 1 st
September 1 st	to	January 1 st
October 1 st	to	February 1 st
November 1 st	to	March 1 st

Assignment Eligibility

Program Year Completed	Eligible Assignment Areas
UBCO – Year 3 (after 5th semester)	<ul style="list-style-type: none">• Community• Corporate• Education• Long-term Care• Medical units• Surgical units
Year 3 (or equivalent)	<ul style="list-style-type: none">• Eligible for all assignment options
Year 4 (or equivalent)	<ul style="list-style-type: none">• Eligible for all assignment options

Scheduling

The successful candidate must be available to work during the chosen cohort as per a pre-determined schedule. Shifts will follow the unit's regular shift pattern and hours. Partial shifts may be permitted to accommodate your academic schedule.

Although ESN/ESPNs are hired as 'casual' employees, this position does not operate the same as a typical casual employment contract as ESN/ESPNs are supernumerary employees. You will receive a percentage of your wage in lieu of benefits, vacation, and sick time. As supernumerary employees, you cannot 'pick up' additional shifts, since shift callouts are reserved for baseline staff. The following outlines the work commitment expectations for the ESN/ESPN program:

- ✓ 3 shifts per week while not in school
- ✓ 2 shifts per week (+/- partial shift[s]) while in school &/or holding another job
- ✓ No more than 6 days between shifts to align with above minimum shift expectations

As your ability to work a shift is dependent on an RN/RPN/NP being able to provide regulatory supervision for your practice (see [Employed Student Registrants BCCNM](#)), you will need to create a schedule with your manager/unit leadership at the beginning of your employment period to ensure there is adequate RN/RPN/NP coverage for that shift.

Recruitment Incentives & Loan Forgiveness

As you plan for your future career, Interior Health provides various recruitment incentives to support your education and manage expenses. **While these incentives are available only for permanent full-time or part-time positions, applying for an ESN/ESPN assignment in one of these areas offers a valuable opportunity.** It allows you to experience what it is like to work there after graduation and helps you start building essential connections early on. [Learn how you can qualify.](#)

Rural & Remote Recruitment Incentive

Eligible new employees in identified rural and remote communities will receive up to \$20,000 for a full-time position and pro-rated for part-time positions. This incentive is in exchange for a 24-month return of service.

- Employees who receive the incentive are not eligible to receive the Provincial Rural Retention incentive *while they are completing their related 24-month Return of Service commitment.*
- See here for eligible communities: [Recruitment Incentives \(interiorhealth.ca\)](https://interiorhealth.ca/recruitment-incentives)

Provincial Rural Retention Incentives

Regular full-time and regular part-time employees in the Nurses' Bargaining Association (NBA), Health Science Professionals Bargaining Association (HSPBA), Facilities Bargaining Association (FBA) and Community Bargaining Association (CBA) collective agreements that work in the following eligible communities may receive up to \$2,000 quarterly to a maximum of \$8,000 per year.

- See here for eligible communities: [Recruitment Incentives \(interiorhealth.ca\)](https://interiorhealth.ca)

B.C. Loan Forgiveness

Recent graduates in select in-demand occupations can have their B.C. student loans forgiven by agreeing to work at publicly funded facilities in underserved communities in B.C.

- If you qualify for the B.C. Loan Forgiveness Program, the Province of British Columbia will forgive the outstanding B.C. portion of your Canada-B.C. integrated student loan debt at a rate of up to a maximum of 20% per year for up to five years.
- See here for a comprehensive list of eligible communities: [B.C. Loan Forgiveness Program | StudentAid BC](#)

Canadian Loan Forgiveness

The Government of Canada offers Canada Student Loan forgiveness to eligible family doctors, residents in family medicine, nurse practitioners, and nurses who work in underserved rural or remote communities that lack the primary health care they need.

- Loan forgiveness can only be applied to outstanding Canada Student Loan balances. Only applies to federal portion of loan.
- Can receive up to **\$30,000**.
- See here to use the Postal Code Lookup Tool to see eligible communities: [Doctors and Nurses Student Loan Forgiveness - CanLearn.ca](#)
 - **TIP:** Don't know the postal code? Look up the address of the worksite you are interested in and use that postal code to determine eligibility.

Next Steps

To apply for an Employed Student Nurse (ESN) or Employed Student Psychiatric Nurse (ESPN) position, please complete the following:

Step 1: Prepare Your Documents (required and optional)

- **Required Documents (must be attached)**

- ☐ Pre-screen
 - Download, save, and complete the [ESN/ESPN Pre-screen Form](#) (refer to the assignment opportunities in this booklet)
- ☐ Cover letter
- ☐ Resume
- ☐ Proof of a valid BLS or First Aid with CPR competency (e.g., CPR-C).

IMPORTANT

If you are applying to a specialty area, please ensure you include a well written cover letter expressing your interest in applicable area as these are highly competitive placements.

- **Optional Documents (to enhance your application)**

To strengthen your application for the Employed Student Nurse (ESN) / Employed Student Psychiatric Nurse (ESPN) Program, we invite you to submit **one additional creative document**:

- ☐ A one-page infographic
- or*
- ☐ A brief presentation (maximum 5 slides)

Your submission should answer the following questions:

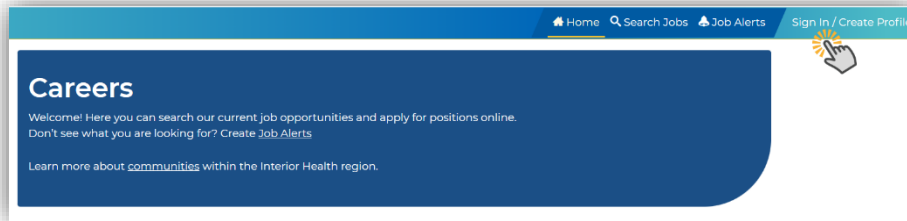

1. **Why do you want to work for Interior Health as an ESN/ESPN?**
2. **What are your goals for graduation?**
3. **What makes you a strong candidate for this position?**
4. **Why did you choose your top three assignment preferences?**

NOTE

File type must be DOC, DOCX, PDF, TXT, JPG, TIF, RTF

Step 2: Upload All Documents to your IH Careers Profile

- Create a profile (or log into your existing profile) at jobs.interiorhealth.ca

- Go to your Profile and upload **all required** and optional documents before submitting your application.

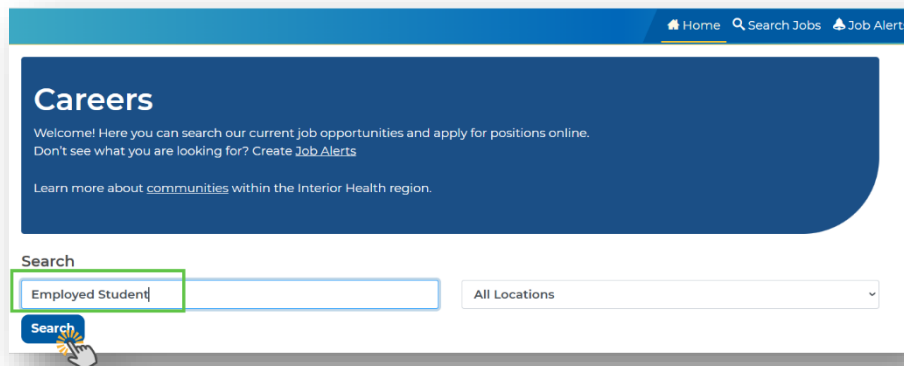

A screenshot of the IH Careers Profile page, specifically the 'Attachments' tab. The page has a blue header with navigation links for Home, Search Jobs, Job Alerts, and a user profile icon labeled 'Your name'. Below the header, there are tabs for Demographics, Attachments (selected), Education, Registrations, and Experience. A message states: 'Please upload any documents supporting the required qualifications for the position you are applying for. These documents will remain on your profile until you delete them.' Under the 'Add Attachment' section, there are instructions: '1. Maximum allowed size of attachment is 3MB.', '2. Allowed file types are: DOC, DOCX, PDF, TXT, JPG, TIF, RTF', and '3. 10 attachments maximum.' There is a dropdown menu for 'Attachment Type (optional):'. Below this is a 'Choose File' button with the text 'No file chosen' and an 'Add Attachment' button. A hand cursor icon is shown pointing at the 'Choose File' button. At the bottom, there is a table with columns: File Name, Type, File Size, Date Added, and Delete.

IMPORTANT

Incomplete applications (missing required documents) will not be considered.

Step 3: Submit Your Application

- While logged in, click “Search Jobs” and search for “Employed Student”

The screenshot shows a web interface for job searching. At the top, there is a navigation bar with links for Home, Search Jobs, and Job Alerts. Below this is a blue header section titled "Careers" with a welcome message and a link to create job alerts. The main content area features a search bar with the text "Employed Student" entered. A green box highlights the search bar, and a blue button labeled "Search" is positioned below it. A hand cursor is pointing at the "Search" button. To the right of the search bar is a dropdown menu labeled "All Locations".

- Select the posting and click **Apply**.

NOTE

There is only one posting for all of Interior Health. Your pre-screen form will capture your site/unit preferences.

- Answer the question “How did you hear about this position?” using the drop down
- Select the required **and** optional attachments to include with your application
- Confirm Application

Selection Process

- Only complete applications with all required attachments will be reviewed.
- Due to the high volume of applications, we cannot confirm individual application status.
- Only shortlisted applicants will be contacted.

Assignment Opportunities

East Kootenay/Kootenay Boundary (EK/KB)

NOTE: The assignment option list is not exhaustive and is subject to change.

(Table is sorted by: Region > Community > Unit Type)

 **Pro Tip:** Looking for a specific site, unit, or community?

Press **Ctrl + F (Windows)** or **Command + F (Mac)** and type the name to quickly find it in this document.
