

Adoption and Foster Care

Resources for Teachers and Parents

❖ [Belonging Network \(formerly Adoptive Families Association of BC\)](#)

The Belonging Network is a Canadian non-profit providing support, education, and connection for adoptive and permanency families and youth in and from government care in BC and beyond.

❖ [Adoption 101 for Teachers](#)

This information sheet is intended to help teachers understand issues adoptees face at school and how they can help the adopted children in their class.

❖ [Child and Youth Permanency Council of Canada](#)

Canada's national voice advocating for a permanent supported family for every waiting child and youth in Canada. As Canada's only national, non-profit, charitable organization they raise awareness about children and youth in government care who need permanent families.

❖ [Adoption Centre of British Columbia](#)

Resources and links listed at the bottom of the page.

❖ ["Let's Learn Together"](#)

This booklet from the UK aims to provide an insight into challenges that might arise and various suggestions on how to manage key areas of difficulty for both parents and teachers.

The Interior Health Healthy Schools Team endeavours to create free or low-cost, evidence-based resources recommended by our health and school partners, especially those that align with the B.C. Curriculum. This is not an exhaustive list of all the resources available on this topic and we encourage educators to ensure each resource is appropriate for their class or school. Please contact us with any suggested changes or additions at healthyschools@interiorhealth.ca.
