

## Sexual Health Resources for Teachers and PHNs

### Lesson Plans for Grades K-3

- ❖ [Personal Safety Resources - Kindergarten to Grade 3 - Google Docs](#) from Central Okanagan Public Schools. Lesson planning includes Kids in the Know, Safe Bodies, Strong Kids
- ❖ [Supporting Student Health Elementary.pdf \(gov.bc.ca\)](#) Information includes the K-3 grade level.
- ❖ [Grade by Grade: What to Teach K-grade 10](#) 2018 Nanaimo Ladysmith Public Schools. Sexual health education in Grade K-3 is about personal safety and empowerment. [K-7 topic snapshots](#) (names for body parts, safe, unsafe and secret touch, honoring diversity, puberty, and more)
- ❖ [Better to Know Comprehensive Sexual Health Education](#): Yukon Body Parts and Safe Touch 2021
- ❖ [Saskatchewan Prevention Institute Recommended Sexual Health Education Topics and Related Saskatchewan Curriculum Outcomes and Indicators for Early Elementary Years \(Grades 1-3\)](#) – includes links to toolkits, colouring book, videos, and more.
- ❖ [Quebec Teacher's Sex Ed Toolkit](#)- see: [Primary School Resources](#) (K-Grade 6)
- ❖ [Kids in the Know](#) is the [Canadian Centre for Child Protection's](#) interactive safety education program designed for students from Kindergarten to High School. The purpose of the program is to help educators teach children and youth effective personal safety strategies in an engaging, age-appropriate and interactive way that builds resiliency skills and reduces their likelihood of victimization in the online and offline world. It is research and evidence-based, balances empowerment with protection, communicates without value statements, builds from past experiences, involves activity-based learning, and facilitates important discussions about personal safety without the use of fear.
- ❖ **USA Resources:** [AMAZE.org- Colouring books](#)

### Lesson Plans for Grades 4-12

- ❖ [Teaching Sexual Health.ca](#) is the teacher portal for Canadian lessons plans that can be accessed by grade or by topic (from Alberta). Includes lesson plans for students with differing abilities.

## Sexual Health Resources for Differing Abilities

- ❖ [Sexuality for All Abilities](#) Island Health, list of resources, lesson plans,
- ❖ [Questions and Answers: Sexual Health Education for Youth with Physical Disabilities](#) Government of Canada

*The Interior Health Healthy Schools Team endeavours to create free or low-cost, evidence-based resources recommended by our health and school partners, especially those that align with the B.C. Curriculum. This is not an exhaustive list of all the resources available on this topic and we encourage educators to ensure each resource is appropriate for their class or school. Please contact us with any suggested changes or additions at [healthyschools@interiorhealth.ca](mailto:healthyschools@interiorhealth.ca).*

*To explore other toolkits, visit [Healthy Schools Teaching Toolkits](#).*
