

Experience what you get

WHEN YOU GIVE STEM CELLS

You could be the one who changes everything with a choice only you can make.
That's the power of joining the stem cell registry.

**If you're 17-35, join the Canadian
Blood Services' Stem Cell Registry**

Most patients in Canada won't find a
stem cell match in their family, and you
could be the match that saves a life.

Kelowna General Hospital - Main Lobby

Friday December 5, 2025

8:00am - 2:00pm

Register today at
▶ blood.ca/stemcells

A cheek swab kit will be mailed to you.
Not everyone will be called to donate, but
each registrant helps open the door to
more healing and more second chances.
