Dear Parents/Guardians of Distributed Learning Students and Homeschooled Students,

Re: School-Age Immunizations and Other Public Health Services

This letter is to inform you of the health services available to school-age children through Interior Health's Public Health.

School-Age Immunizations

Immunizations are the best protection against many serious vaccine-preventable diseases. BC students, kindergarten to grade 12, are eligible for publicly funded vaccines.

To find out if your child's immunization records are up to date, visit the Vaccination Status Indicator <https://immunizebc.ca/vaccination-status-indicator>, the ImmunizeBC website www.immunizebc.ca, or contact your local Public Health Center to speak to a public health nurse.

If your child is missing any immunizations, please contact your local Public Health Centre to book an appointment. If your child lives in the Interior Health region, you can find contact information on the back page. For more information please visit <https://immunizebc.ca/school-age-children-teens>

Other Public Health Services

Interior Health's Public Health provides other school health services for children and their families. Visit <https://www.interiorhealth.ca/YourHealth/SchoolHealth/Pages/default.aspx> for more information, or contact your local Public Health Centre to speak to a public health nurse.

Thank you for helping to keep our children and communities healthy.

Sincerely,

Dr. Fatemeh Sabet
Medical Health Officer

Dr. Jonathan Malo
Medical Health Officer

Dr. Carol Fenton
Medical Health Officer

Dr. Shobhit Maruti
Medical Health Officer

Dr. Karin Goodison
Medical Health Officer

Dr. Silvina Mema
Medical Health Officer

We recognize and acknowledge that we are collectively gathered on the traditional, ancestral, and unceded territories of the seven Interior Region First Nations. This region is also home to 15 Chartered Métis Communities. It is with humility that we continue to strengthen our relationships with First Nation, Métis, and Inuit peoples across the Interior.
