A Fresh New Look is Coming to **MyHealthPortal**

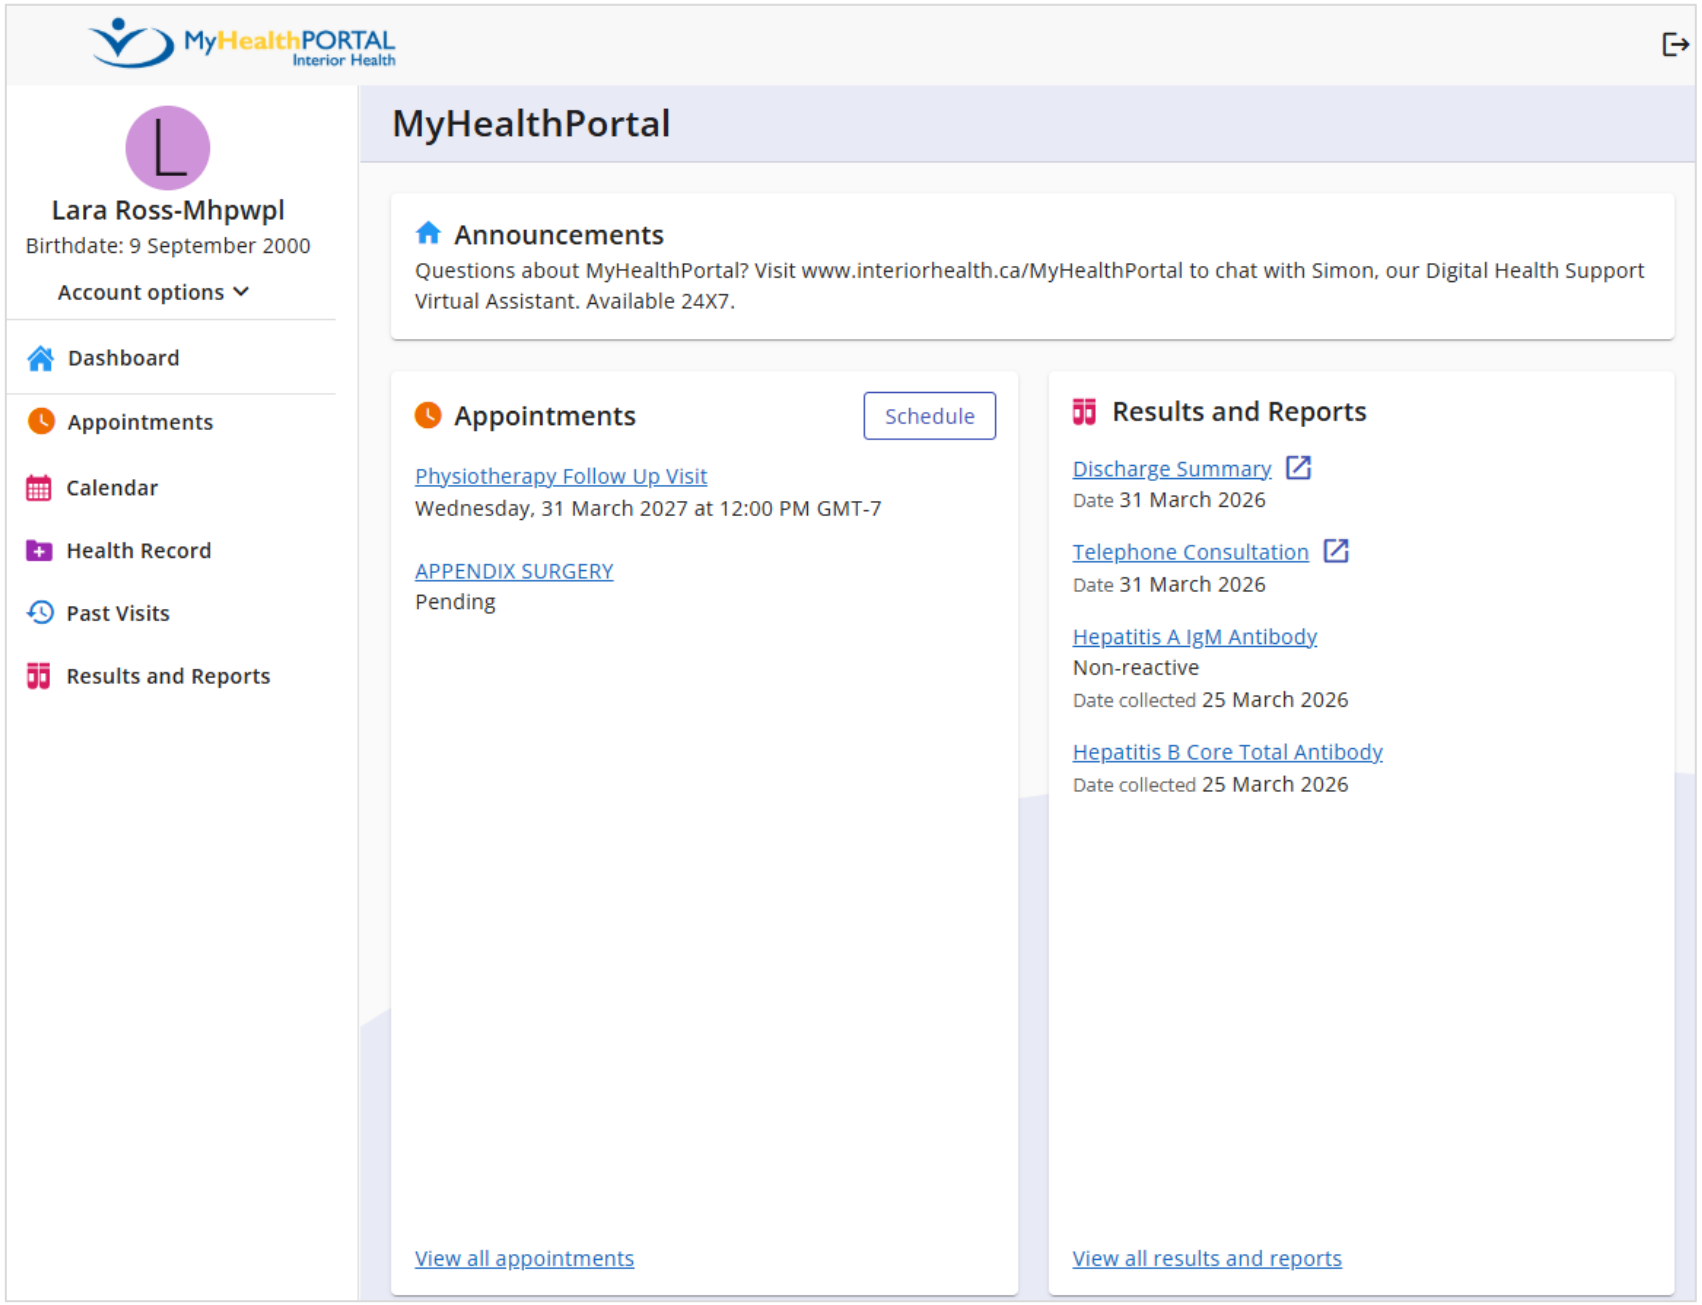

Launching November 25, 2026

Finding your health information is about to get easier

Starting November 25, MyHealthPortal will have a **refreshed design** that makes it easier to find and manage your health information.

Only the look is changing. Your health information, appointments, results, reports and account settings will remain the same.

MyHealthPORTAL Interior Health

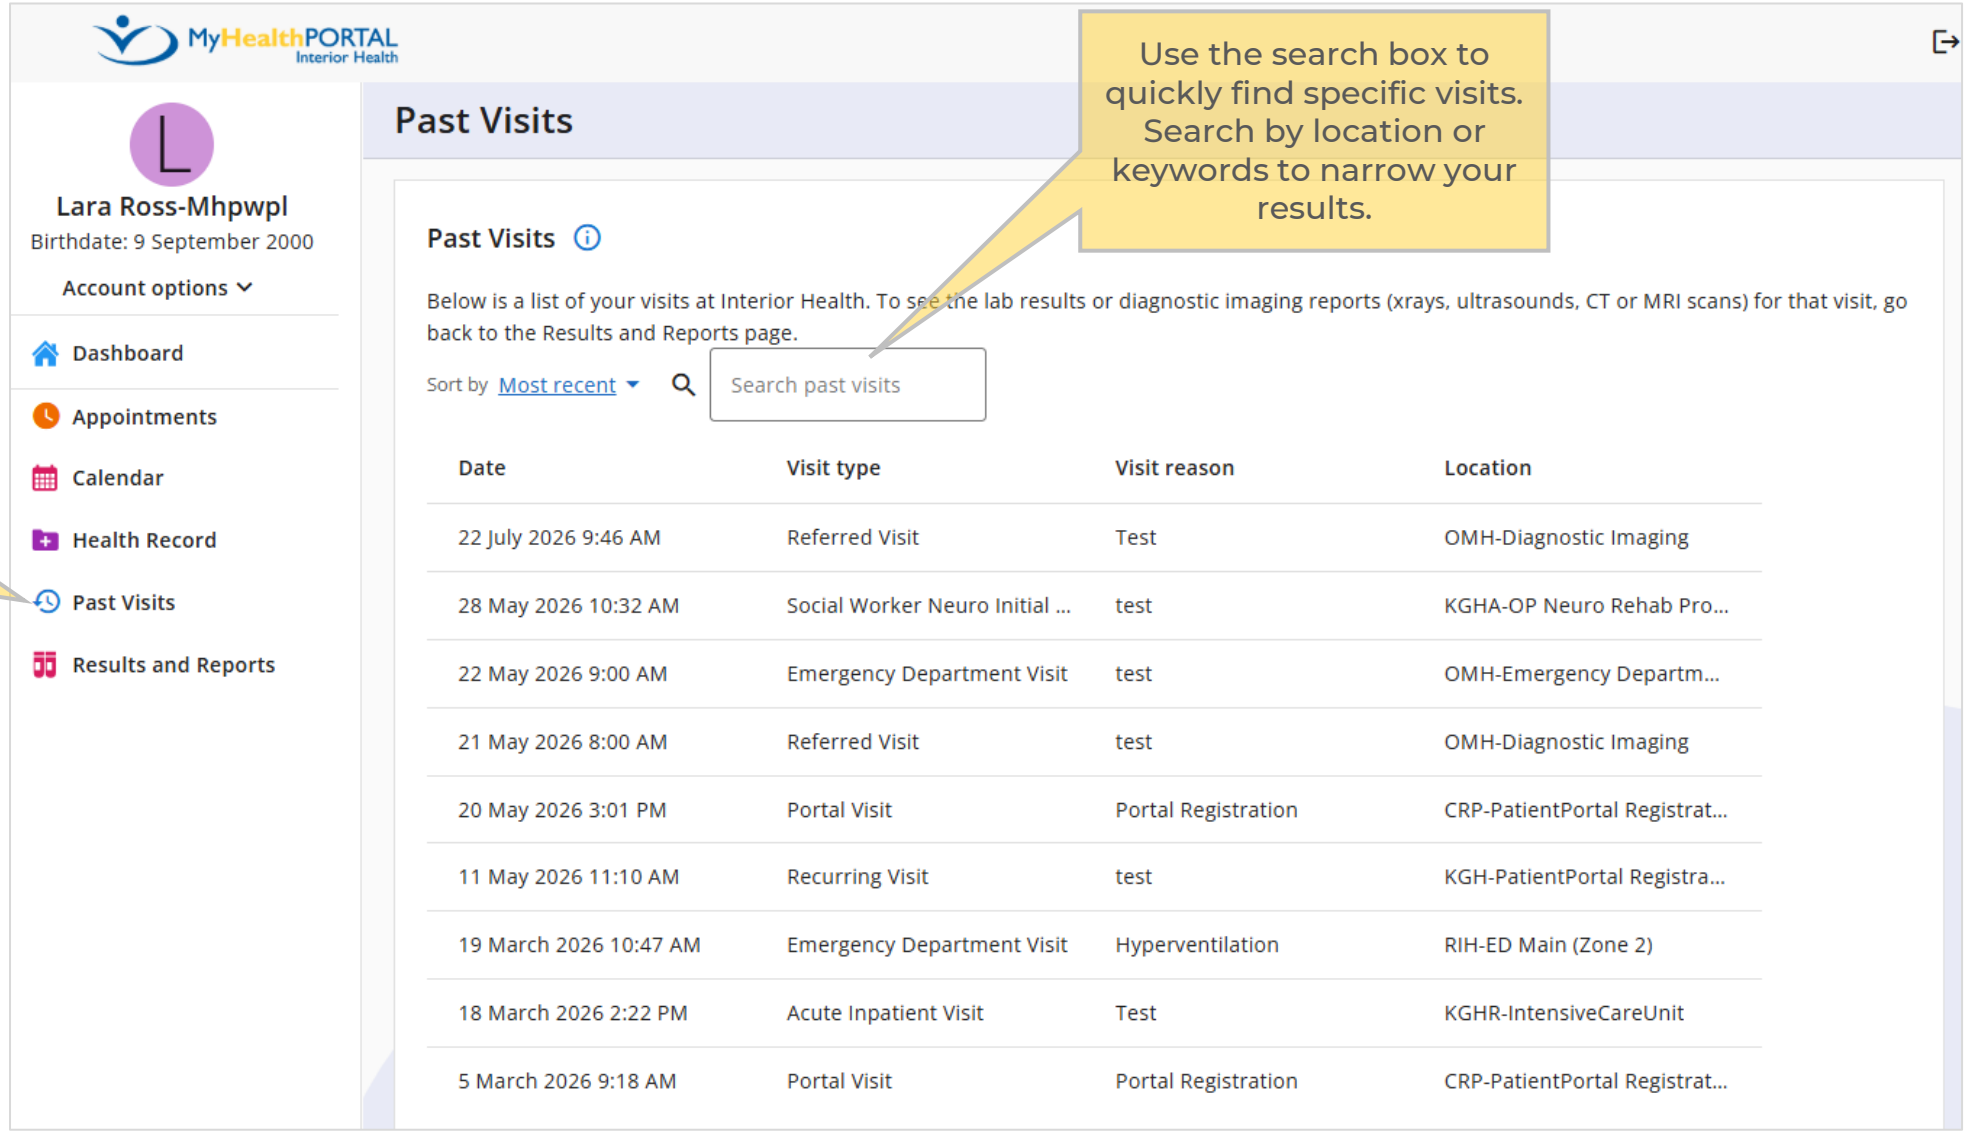

Take a Sneak Peek

Past Visits

See all your previous visits in one place, including the visit date, location, visit type and reason for your visit.

Looking for Visit History? It is now called Past Visits and can be found in the left-hand menu.
