

TIME TO REMEMBER.
TIME TO ACT.

DRUG TOXICITY International Overdose Awareness Day

www.cityofpenticton.ca

"More than 1,000 lives lost to toxic unregulated drugs in first five months of 2023"

-BC Coroners news release June 19th 2023

8 lives lost in Penticton this year

-BC Coroners report Jan-May 2023

Join local community agencies as we come together to honor those lost and learn about local initiatives happening to combat stigma and the effects of the toxic drug crisis.

This event acknowledges that it will take place on the unceded and traditional territory of the Syilx Nation.
