

# Project ECHO Winter Series

2024| EDUCATION BULLETIN

The MHSU Network is excited to welcome all Nurse Practitioners and Physicians to attend 2 ECHO sessions designed with the goal of enhancing clinical knowledge and skills and with a focus on: MAID MD SUMC.

## 1. Part 1 - My Psychiatric Patient is asking about MAID: What do I need to know?

- Review Provincial Safeguards for MAID when a psychiatric condition is the sole reason for applying (MD-SUMC)
- Case discussion addressing moral conflicts or disagreement for practitioners around MD-SUMC
- What is involved in a capacity assessment in MD-SUMC

## 2. Part 2 - My Psychiatric Patient is asking about MAID: What do I need to know?

- Differentiating a MAID request from suicidality
- What is involved in the expert psychiatric assessment?
- How many trials of therapy are "enough" ?
- How does one comment on "irreversible decline" in the setting of MD-SUMC?

Click the [Register](#) link beside the session you wish to enroll in. Register anytime. Attend as few or as many sessions as you would like.

Please note, We are in the process of having the series accredited through UBC, each session is eligible for 1.5 MOC Section 1 /1.5 Mainpro.
