

Real-Time Virtual Support Pathways

For rural health providers, friendly clinical help is just a click or call away.

Real-Time Virtual Support (RTVS) pathways are here to help for all urgent and non-urgent situations — including case consultations, second opinions and ongoing patient support, patient transport coordination, point-of-care ultrasound, and simulations. All you need is a Zoom licence, or telephone line.

Instant Access Pathways

Available 24/7

MaBAL | Maternity & Newborn Add Zoom contact: mabal1@rccbc.ca Phone: 236-305-7364
