

# KINESIOLOGY CAREER OPPORTUNITIES IN LONG-TERM CARE (LTC)

Interior Health

## THE ROLE

STARTING AT: \$33.13 PER HOUR

As a Staff Kinesiologist you will conduct and supervise exercise and mobility sessions for acute and chronic rehabilitation of long-term care residents.

## PRACTICE HIGHLIGHTS

The Staff Kinesiologist LTC reviews the residents care plan and prescribed activation plan. Working in collaboration with PT/OT/RN or Speech-Language Pathologists you will implement an individual exercise prescription and mobility care plan for each resident.

In your role you will assist participants to attain recommended mobility, fitness, and lifestyle goals by providing mobilization support, education and counseling. You will provide feedback and input into program planning, development, evaluation, outreach and community education to client groups.

## QUALIFICATIONS

- Bachelor's Degree in Kinesiology
- Eligible for practicing registration with relevant professional kinesiology association.
- Current valid B.C. driver's license

## OUR BENEFITS

- Extended Health & Dental
- Group Life Insurance
- Employee Family Assistance & Wellness Programs
- Pension & Retirement
- Vacation & Leave
